Welcome to the
WEDDING

OF YOUR DREAMS

MEET COREY

I'm Corey, the owner & principal photographer of Ockenfoto. I love being able to share in the love of two individuals and feel blessed to get to work with such wonderful people each day!

Based out of San Luis Obispo, CA. I've been shooting for over 7 years now. There isn't a day that goes by that I don't have my camera, polaroid, or drone with me.

After growing up the son of an interior designer, I got my start taking local landscape photos. That quickly led to print sales from their friends and transitioning into taking portraits. Four years later and I am grateful to be in demand in San Luis Obispo's vibrant wedding community.

YOU HAVE QUESTIONS

Q: What sets you apart from other photographers?

A: With years of training under my belt, posing and guiding has become easy while remaining fun and light hearted. I use natural lighting as often as possible and know how light works in any scenario!

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full print release.

Q: How many photographers will be there at our wedding?

A: All of our wedding collections come with at least two photographers with an additional videographer if that package is selected .

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images, if you're game! If not, that's okay, too.

Q: Will our photos get featured in a magazine or blog?

A: While many of our sessions do get featured, this isn't something that is guaranteed. Most publishers are interested in uniquely designed weddings.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Yes and no. Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique.

I HAVE ANSWERS

Q: Do you have a list of preferred vendors to use?

A: Yes! From wedding planners to florists and caterers, we have worked with some of the best on the central coast & would love to share their information with you!

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through one of my professional vendors, but it isn't required. The difference in quality is huge when it comes to ordering through a professional lab, so I always love to help with prints!

Q: What equipment do you use?

A: I use all of the latest Sony equipment. I always carry the a7 Mark IV, the Mark III, 35mm lens, 85mm lens, & the 24-70mm lens, among other items.

Q: Do you photograph destination weddings?

A: Yes! I've shot a handful of destination weddings and am more than happy to create a custom wedding collection to suit your travel needs.

Q: Are the people featured on your site models?

A: For the most part, no. While I am lucky enough to work with gorgeous clients, the majority of the images shown on my site and blog are of regular, paying clients.

Q: How do we reserve our wedding date?

A: A 50% deposit & signed contract is required in order to get your wedding on the calendar. The remainder of your balance is due two weeks prior to your wedding.

FEELING THE HAPPINESS
YOU FELT ON YOUR
WEDDING DAY OVER
AND OVER IS PRICELESS.

MOMENT FELT LIKE.
