Generator

\$200.00 rental fee

**Only required to power the AC/Heat features when power is not available on site.*

With an onboard generator, our restrooms can go anywhere with or without power.

This is a great option for remote events, festivals, golf courses, and more!

4000 Wattage, Operates for 5-6 hours consecutively

For events with no power on-site we require our generator and restroom to be used in tandem
