About

Boyne Valley Equine Tours & Services, LLC

Nestled in the heart of Boyne Valley, Boyne Valley Equine Tours & Services, LLC was created to fulfill your every equine related need. As our company statement goes, "If it's equine related, we probably do it!" which means if we can't do it for you, we will do our best to find someone who can.

We developed our little company from the remnants of several different DBAs in the fall of 2012. By January of 2013, we were up and running full steam ahead. Today, we continue to add services and upgrade our existing amenities at our new location between Boyne City and Charlevoix.

Good Trails, Good Times ~ Straight from the Horses Mouth!
