# HI, I'M IAN.

PHOTOGRAPHER | DESIGNER | COFFEE LOVER

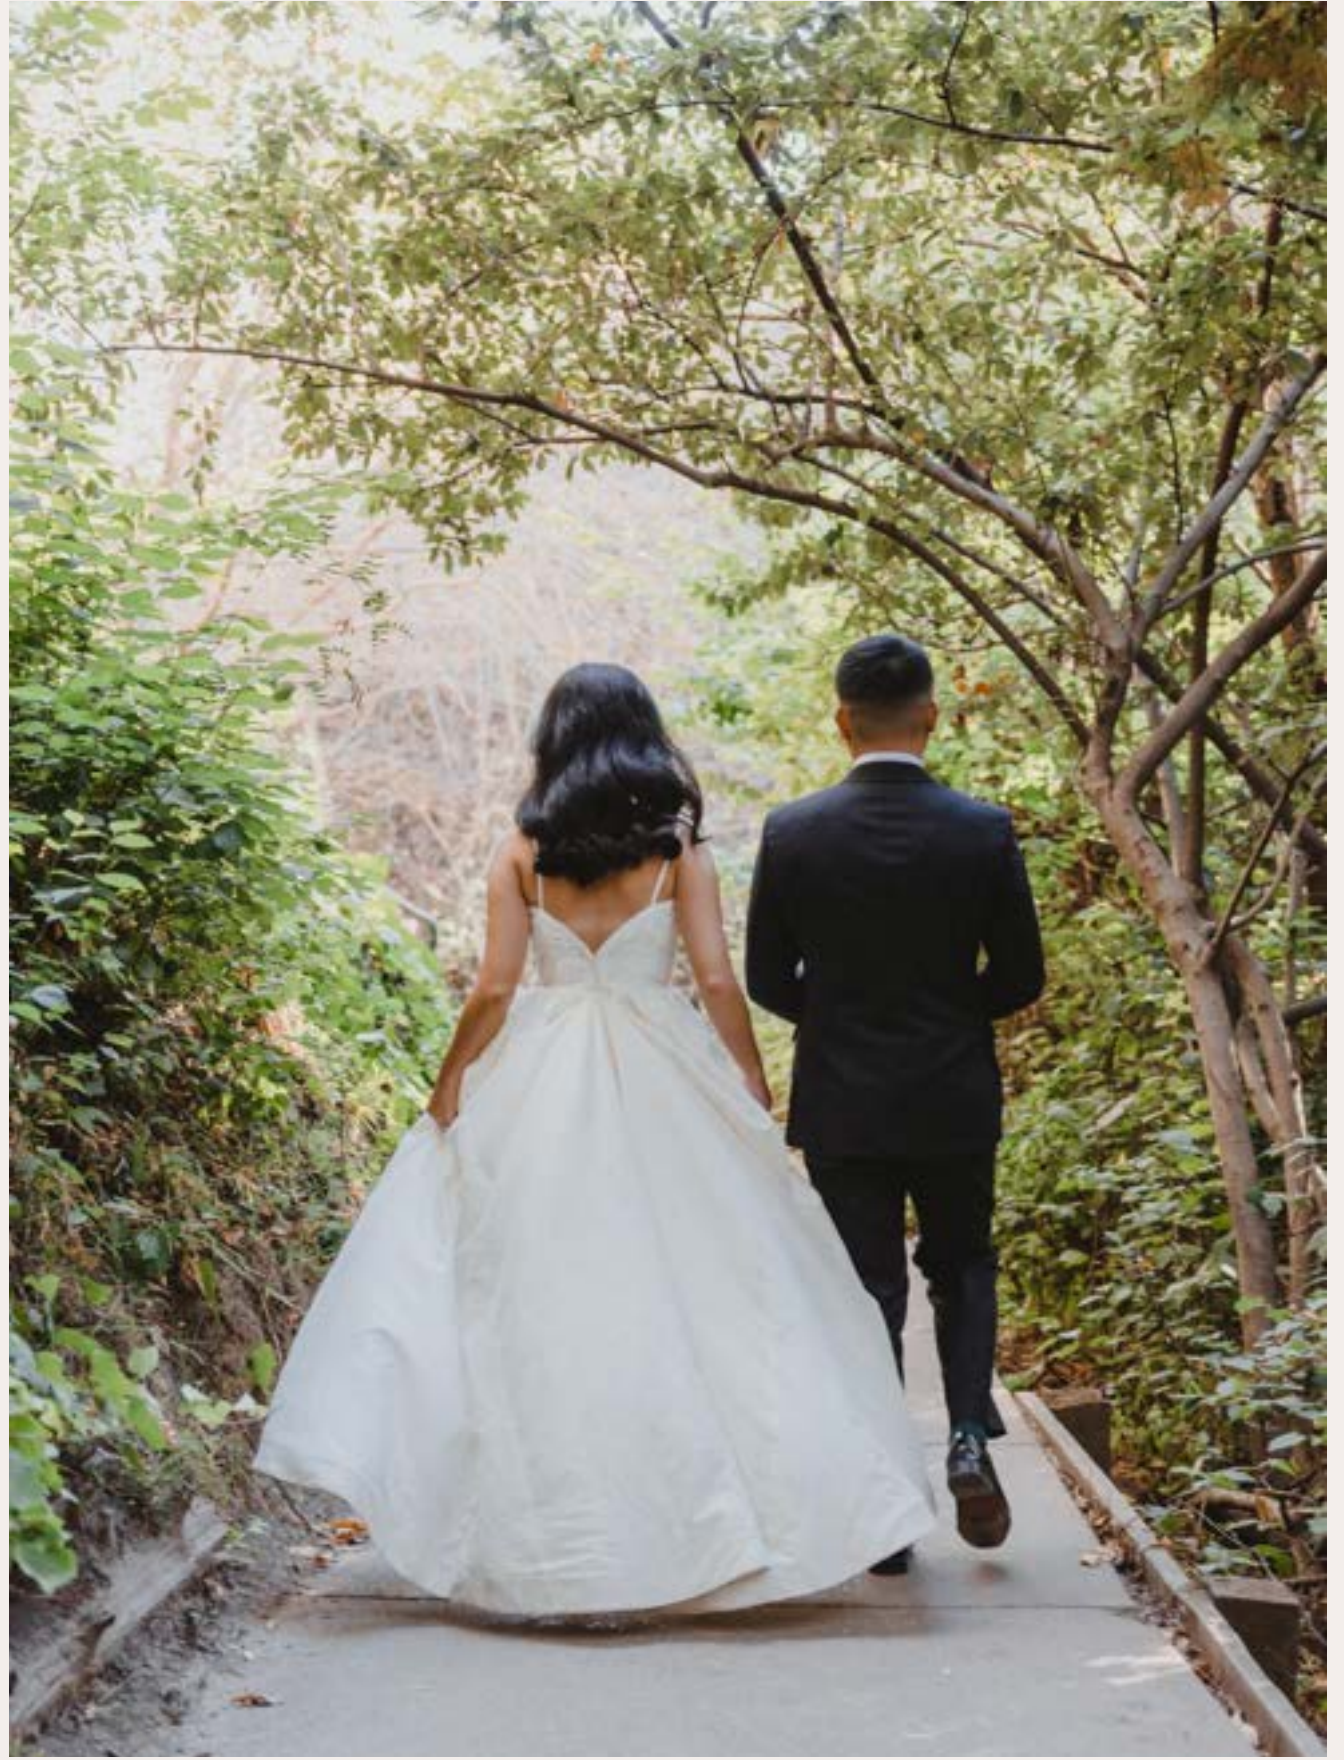

Hello! My name is Ian - I'm a Bay Area native digital photographer who started shooting back in high school to make memories with my high school friends. From there, I began to develop a love for the art of photography, and now love to capture timeless moments that we encounter in the world.

I love nothing more than to tell a couple's wedding story, being a part of the days that you'll remember forever. Candid moments - those that you notice (and those that you may miss) are things I love looking for throughout your special day.

When I'm not shooting, I work as a product designer! I love chatting about photography, design, and especially coffee - you can usually find me at the various coffee shops around the bay (and I'll always have recommendations!).

Thank you so much for considering me as someone to be a part of your special day - I would love to help capture your story!

## FAQ'S

---

### WHAT IS YOUR SHOOTING STYLE?

I consider myself a portrait and lifestyle wedding photographer - I tend to capture small candid moments that help tell a story about your special day. I hone in on both intimate moments with you as the couple, as well as delicate wedding details and lively party moments!

### WHAT GEAR DO YOU USE?

I use digital photography for my weddings. My main gear is Canon - a Canon R5 and R6, with a holster and flashes that are both on camera as well as off camera for maximum coverage after dark.

### DO YOU TRAVEL?

Yes! I typically shoot around the Bay Area and surrounding, but my passport is up to date and I am ready to travel to wherever you wish to have your wedding. In terms of logistics, let's chat - depending on location, gas, flight, and/or lodging fees may apply.

## HOW TO BOOK

---

Awesome! To proceed with booking, we'll need a signed contract (I'll draft up for us) and a 30% deposit. After that, you're all set!

Final payment is due within 7 days prior to the wedding.

Travel fees will be due upon final payment.

---

After, I'll be in contact to coordinate engagement sessions and schedule confirmations, and will have a call roughly a few days before to walk through the final timeline. I'll also reach out to get in contact with the various vendors (wedding planners, coordinators, videographers, etc.) to make sure I am aligned with their schedules and ways of working!

# THANK YOU!

Thank you for your time and your consideration, and if I hadn't said it already, CONGRATULATIONS! I can't wait to hear from you, and hope to have the honor of being a part of your special day.

If you have any questions, comments, or concerns, please don't hesitate to contact me. I'll make sure to reply as soon as possible (usually within 1-2 days).
