What sets us apart?

Thank you for your interest in the Sunshine Inn. Unlike traditional venues, hosting your event at Sunshine Inn will have a direct impact on the lives of hundreds of children and adults with autism, Down Syndrome, and other forms of intellectual and developmental disabilities.

The Sunshine Inn is held on the ground of The Arc Gloucester's Camp Sun 'N Fun. All rentals of The Sunshine Inn directly benefit our camp and the individuals we serve.

In 2010 the Arc Gloucester completed construction on the Sunshine Inn, a beautiful venue for wedding receptions, showers, christenings, parties and events of all kinds. Set in a gorgeous rustic setting and surrounded by trees and rolling lawns, the Sunshine Inn is close to it all but still feels like you have gotten away. With seating for up to 175 and a calming neutral décor, the Inn is ready for you to transform into the event space of your dreams. Our gorgeous commercial kitchen with every amenity is ready for you to cook or to bring in a catering staff to cook for you. Local caterers love our kitchen!

It is through your rental of the Sunshine Inn that we will continue to help camp grow.

We look forward to working with you,

The Sunshine Inn Staff
