ADD ONS:

- WEDDING SOUND & WIRELESS HANDHELD MIC – \$200***
Your wedding ceremony may need microphones for the bride, groom, and/or the minister. You may also need to play music before and after the ceremony. This option is a great solution for small to medium sized weddings. *If your ceremony and reception are in two different locations, \$50 fee for delivery and setup.
- COLD SPARK MACHINES**
\$400 (2 machines) or \$800 (4 machines) with purchase of (any) DJ Package. \$550 for 2 machines or \$950 for 4 machines (includes onsite technician) Cold Sparks were developed as a revolutionary special effect that looks just like a classic pyrotechnic display, without the dangers associated with common fireworks. Safe for indoors/outdoors. Electricity needed.
- DANCING IN THE CLOUDS (NIMBUS) DRY ICE MACHINE – \$300**
Nimbus™ is a professional dry ice machine which produces a thick, white fog that hugs the dance floor and dissipates without rising. This powerful machine heats enough water to create fog from 10lbs of dry ice to provide 6 minutes of run time. Perfect addition for your first dance or any special dances.
- LED UPLIGHTING PACKAGE – \$40 PER LED UPLIGHT**
Wedding lighting isn't a reception detail to overlook: uplighting has the power to completely transform a room! This type of lighting can be done in any color, tying your event design together to different spaces such as the cake table, head table, and dance floor in an elegant way. (24 Bright LED Uplights Available)
- HANDHELD CO2 Cryo Gun – \$250**
The Club Cannon is a Bride & Groom favorite! Make your grand entrance one to remember! The club cannon is a handheld Co2 gun that will take your event to the next level! Price includes full tank of CO2.
