## FAQ

### WILL THERE BE ONE OR TWO PHOTOGRAPHERS AT MY WEDDING?

For smaller, more intimate weddings I will usually arrive alone unless requested otherwise. For larger wedding/celebrations with many guests, or maybe multiple locations, My second photographer will accompany me.

### CAN WE ORDER ALBUMS AND PRINTED PHOTOS FROM YOU?

OfCourse! I totally understand the importance and sentimental value of printed memories. I offer a printing service via the online gallery that is delivered. Through that portal each couple can select their favorite images to print and have them shipped to their home address. We also offer a beautiful Hardback gallery book.

### HOW MUCH TIME IN ADVANCE CAN WE BOOK YOU?

I love this question! It really comes down to demand. If my team and I are available on your wedding day, whether a year in advance, or two weeks in advance, we'll be ready to cover your wedding.

### HOW MANY PICTURES WILL WE RECEIVE?

That totally depends on the chosen package ranging between 200-500. Additional edited photos can always be purchased afterwards.

### DO YOU OFFER ANY PACKAGES WITH JUST PHOTOGRAPHY ALONE?

Yes, Of course!  
On many occasions I do offer to provide just photo services without a videographer.

### DO YOU TRAVEL FOR SHOOTS?

Definitely! Ask me about travel options. I'm totally open to customizing a package that will land me right at your wedding, wherever that may be.

### HOW LONG WILL IT TAKE TO RECEIVE THE PICTURES?

Our quoted timeframe for finished, edited photos to be delivered to each couple is 30 days after the wedding day. In some cases they can be delivered in less time.

### CAN WE MEET BEFORE BOOKING?

I love meeting couples prior to booking. I feel it's the best way to get to know each other before their are cameras staring at you all day haha! FaceTime, Zoom, Whatsapp, whichever platform is more comfortable for you, I'm open to.
