

## TRADITIONAL IS OVERRATED

A celebration on the storied grounds of this former brothel and saloon make it unlike any other venue in the Southwest. A twist on the traditional B&B concept, **Painted Lady Bed & Brew** is the first of its kind in New Mexico and one of only a handful of such unique establishments in the country (featured in *The 25 places you need to travel in 2020* by Matador Network, The New York Times, Travel Channel and more). Built in 1881 as a brothel and saloon with "wine room in connection," the property has quite the colorful past. Tales of buried money, hidden rooms, and Billy the Kid are all waiting inside.

As one guest remarked, "if these walls could talk...they'd moan!"

# ADD-ONS

## **BYOB!**

Brew your own “Bride-Ale” with a Painted Lady Bed & Brew “brew master.” Throughout history, beer has a lot more to do with weddings than many of us might know. The word “bridal,” for example, actually comes from “*Bride-Ale*,” which refers to a special beer brewed just for the wedding. You will schedule a visit to the Lady approximately a month before your event to brew 15 gallons (approximately 120 pints) of beer. This beer will then be on tap at your event and served complimentary to your guests!

**Rate:** \$500

## **Growler centerpiece rental**

Vintage growlers at each table to complement your craft beer wedding. Includes a mix of wooden flowers or can be left empty for real flowers.

**Rate:** \$15 each
