

Wedding Rate Card – August 2018

My 3 packages vary, depending upon whether you want a Rehearsal and if you desire a Planning Meeting.

Premium Package: includes three services: a Planning Meeting (either in-person or phone conference), unlimited *e-Consultation*, Wedding Ceremony and Travel to those events, plus a *separate-day* Rehearsal, would be \$750. This includes all travel and parking, no hidden fees!

Mid-Range: includes two services: For instance, a Rehearsal and your Wedding celebration for \$650. Or, if you prefer, we can have a Planning Meeting (either in-person or phone conference) and your Wedding Ceremony for \$600. Every Mid-range package includes unlimited *e-Consultation* and Travel to these events (no hidden fees).

Basic Package: If you would just like my services for your Ceremony, without a face-to-face or phone-conference Planning Meeting, or rehearsal, the cost would be \$500.

If you choose that most Basic option, I will send you some worksheets to fill out on your own and email back to me, so I can prepare for your Ceremony. We'll enjoy a 10-15 minute phone introduction, to answer any questions you may have, but not the typical 60 minute face-to-face or conference call Planning Meeting. The Basic package for \$500 assumes that you are comfortable with a brief Introductory Phone call, email Planning and a more "do it yourself" approach. Couples that want more of my involvement in the planning process (ie. extra phone consultations), but without a rehearsal, request the mid-range Package, for 600.
