Exquisite Weddings & Shindigs

Introduction

We Make Sure Your Day Goes Off Without a Hitch.

Your wedding day. The statement “I do” intertwines the lives of two different people from two different families. The love of a bride and groom connects and manifests the eternal promise for each other. This pledge of devotion will be one of the most important days of your life.

Imagine yourself going down the aisle wearing the dress of your dreams to meet your prince charming. Love is in the air. And then it hits you. How would all of it be possible without the vendors and **wedding planner or coordinator**?

- *Who is going to plan and conceptualize everything from the venues to what people will eat? Who will make sure we stay on budget?*

- *What is the right theme and color scheme that appropriately matches us as couple and the location of the wedding?*

These are only a few of the numerous concerns you will have. You may think "We need to save as much money as possible, forget the planner/coordinator! **Wedding planning/coordinating** will be a breeze." However, the truth of the matter is that the wedding planner or coordinator is NOT an expense you should remove from your budget. They are a "major" vendor. A wedding is a once in a lifetime event worth spending for. And a dream that is not carefully planned can quickly turns into a disaster. A wedding planner or coordinator will make sure that your dreams do come true and that your event goes off without a hitch.

Hiring a **professional wedding coordinator** to arrange and organize your dream wedding is important. You need a well-trained and highly proficient team to

a. plan and conceptualize the pre-nuptial and the day of event;
b. provide budgeting of the wedding essentials and
c. implement effectively the well-planned coordination services months before the event.

We at Exquisite Weddings & Shindigs have been in the **events management services and wedding coordination** business for 10 years. We will bring your wedding visions to life. Let us be a part of your anticipated celebration of life, love, hope, and happiness. You can be sure that we will make your day the best it can possibly be.
