

## Meet Bea

I'm a destination wedding and lifestyle photographer living in Vicenza, between Venice and Lake Garda, Italy and travelling worldwide to photograph wonderful stories. I'm an aesthete, a traveler and a life enthusiast. My style is romantic and natural, poetic and creative, blending artistic imagery with stylish documentary

## Three Things

1. I love travelling to find inspiration, meeting different cultures and getting to know interesting human beings. When I'm in my hometown, I love spending my free time outdoors, strolling into the nature or kayaking on my beloved Lake Garda.
2. I can't live without my two lovely cats, my camera and always looking to be around with positive & open minded people.
3. My friends tell me I'm always looking for a good foodie and great wine when I'm travelling - and I always find it!

## Favourite Place to Shoot in Italy

The three picturesque islands in Venice Lagoon: Murano, Burano, Torcello. Lake Garda: the charming Punta San Vigilio, or the Arco Castle and the Ponale overlooking the Lake. The romantic vineyards of Valpolicella in Verona Province.
