Price Sheet:

Price is dependant on many factors, such as:

- What metal you choose (10K, 14K, 18K, Platinum, or sterling silver)
- What is the center stone (diamond, sapphire, ruby, salt and pepper diamond, etc)
- What ring size are you?
- If men's ring, what metal or inlay type does he want?
- Is this going to be a complete custom?

There are many things that will determine the price.

What is the quickest way to figure a price?

- Pictures of what you're looking for is a great start.
- Ring size
- If you know specifics on what you want in the center
 - If you don't know this, that's what I am here for
