PHOTO BOOTH - \$700

Everybody loves a photo booth at weddings! Photo booth is a good activity for all your wedding guests to take part and have a little fun during your reception. They can goof off and act themselves all night in there and take home prints to remember the eventful night!

ENGAGEMENT PHOTOS - \$700

Just think of it as a fun pre-wedding photo shoot with your wedding photographer. I personally like engagement photo shoots mainly because we can get to know each other in a more personal level while we take epic photos without any time restraints like during a wedding. Engagement photo sessions can be fun, creative, and can be used for enlargements at the wedding along with "save the date" cards!
