## pricing/policies/faq's

policies/boring sh\*t you should read before signing anything:

**retainer** | in order to secure a client's date, a signed contract, credit card authorization, and retainer of 50% of the total balance is required. the retainer is non-refundable and non-transferable. dates and scheduled times will only be reserved when a signed contract, credit card authorization, and retainer is received. signed contract and retainer for wedding date must be received within 48 hours after booked bridal preview. if not received within time frame, clients must rebook through email.

**cancellation policy** | there is a 90-days cancellation policy. when a client cancels the entire day or certain services within the contract, with less than three months notice, client is responsible for the full quoted amount of services stated in the contract. if the client cancels this contract 90 or more days prior to the service date, only the non-refundable retainer is owed. client must send notice in writing in order to avoid charges. there are no exceptions.

**balance due** | the balance due for services shall be due and owing on the date of services. client must provide a valid credit card or other form of payment at the signing of this agreement for the full amount. acceptable forms of payment include cash, check, or credit card.

**late fee** | there is a late flat fee of \$30 if client delays start time due to tardiness after a 15 minute grace period. if the client or anyone getting makeup services is late on the wedding date, time will be deducted from appointment time. if artist has not completed services at the end of allotted time due to client's tardiness, the artist must start on next client. if artist has time at the end of all completed services, the client will then be able to complete services. the artist is not responsible for uncompleted services due to tardiness. this is non-negotiable.

**early start time fee** | there is a flat fee of \$100 if the start time is 7am or earlier.

**additional touch-up time fee** | if you would like the artist to remain on-site and available for touch-ups during/after the wedding, that is an additional cost of \$60 per hour per artist (if there are multiple). the hour begins after the final initial makeup application, not at the event start time.

**contract** | the client booking services for wedding date must sign contract. location, date and time must be specified. if more than one client is booking services, a retainer must be paid at the time of signed contract to guarantee each reservation. if contract, credit card authorization form, and payment is not received within three business days from the time it is emailed, the contract is void and your date may be forfeited to another booking.

**travel** | no travel fee for venues located within Austin or San Antonio city limits. travel fee is based on total hours of travel time and is to be discussed prior to booking.

**parking** | if the venue is at a hotel where free parking is not easily accessible, we ask that the client covers valet parking. the artist (and her back) thanks you.
