PROVIDING THE SOUNDTRACK TO THE
NIGHT OF YOUR LIFE

ABOUT US

The Joel Young Band is a fun, high energy, and incredibly entertaining private party band comprised of some of the most talented musicians and performers in the business.

From The Rainbow Room to Terrace on the Park, from the Plaza Hotel to Atlantic City, from the vineyards on Long Island's North Fork to the Jersey Shore, the Joel Young Band has given brides, grooms and party-goers incredible experiences and memories that last a lifetime.

After hundreds of shows, we can expertly read a crowd to pace the evening perfectly. No two events are ever exactly alike!

Formerly with a high-priced booking agency, we are now booked independently, which means you don't have to pay outrageous agency fees.

Let us simplify your planning process by providing a turnkey solution for all of your music, sound, performance and hosting needs!
