Nana G's Chicken & Waffles is world famous! We have been repeatedly featured on Food Network, showcased in over a dozen magazines, aired in the 2016 national Peach Bowl ad, and voted "Best Chicken & Waffles" a multitude of times. We are famous for our chicken & waffles but our menus offer a wide variety of choices. Please view our different menu options! Most of them include a combination of a buffet station and guest also going straight up to the food truck to get items as well. We can do just about anything with our culinary talents! So, if you have something in mind that you don't see on a menu, just let us know and we will price it for you. If you like a menu option, but need to be at a lesser price point - let us know we can deduct items and lower the cost...we are very flexible!

All of our menus are priced per person and offer additional "add on" options. Contracts will also have local tax, 20% gratuity added, and a fuel surcharge for events more than 50 miles from Atlanta. We have a 50 person minimum based on the pricing advertised. Smaller groups are quoted on an "as needed" basis, so please ask. We want your event to be "easy as pie" for you and us... so we commit to having one server there for every 25 guest and a second truck for all bookings over 100 people!

WE LOOK FORWARD TO AN AMAZING EVENT!
