### MEET JILLIAN

I'm Jillian, the owner & principal photographer of B.O.B Photography. I love being able to share in the love of two individuals and feel so incredibly lucky I get to work with such wonderful people each day!

Based out of Chesapeake City, MD, I've been shooting weddings full-time for over seven years now. It is crazy to think of where I got started and where this crazy path called life has taken me!

After graduating from the Salisbury University with a degree in photography, I hit the west coast and started assisting some well renowned photographers.

That lead me to Nashville where I became the go-to photographer for some of Nashville's biggest names, including Luke Bryan, Thomas Rhett, Joe Don Rooney from the Rascal Flatts and Philip Sweet from Little Big Town, just to name a few.

Those shoots eventually lead me to what I love most. The real moments. The candid looks. The love between two people. It lead me down a path to becoming a full-time wedding photographer and I can't thank every couple who's trusted me with their big day enough. I hope you enjoy taking a peek into my wonderful little world of wedding photography! Get comfy as you browse my work!

A full-page photograph of a wedding couple, Sarah and Dan Hartman, standing in a field of tall grass at sunset. The man, Dan, is on the left, wearing a dark suit and a pink tie, smiling at the woman. The woman, Sarah, is on the right, wearing a white lace wedding dress, with her hand on his shoulder. The background is a soft, golden glow from the setting sun, with trees and grass in silhouette.

*"The shots brought my husband and my sister to tears on viewing them. - Jillian is up for just about anything and will not steer you wrong."*

## *frequently asked questions*

YOU HAVE QUESTIONS. WE HAVE ANSWERS.

*Q: What sets you apart from other photographers?*

A: I take many of my portraits in an intimate, relaxed setting and try to use natural lighting as often as possible. I strive to make my sessions laid back, comfortable and fun!

*Q: Will we get the print release to our photos after our wedding?*

A: Yes! Upon receiving your images, you will also get a full print release.

*Q: How many photographers will be there at our wedding?*

A: Most of the packages have two photographers. However, it all depends on which package you select for your big day.

*Q: Will we get featured in a magazine or blog?*

A: Although many of my sessions do get featured, this is not something that is guaranteed. Most publishers are interested in colorful, uniquely designed weddings!

*Q: Do you photograph elopements?*

A: Of course! Depending on availability and the number of hours you have set aside for photography, I have special rates for weekday weddings and elopements.

*Q: Do you have a list of preferred vendors to use?*

A: I sure do! From wedding coordinators to florists and caterers, we have worked with some of the best companies in the industry and would love to share their information with you!

## *have another question?*

SEND ME A MESSAGE! I AM HAPPY TO HELP!

*Q: We're having a destination wedding. Do you travel?*

A: Yes! I love destination weddings and have been lucky enough to travel all over the world shooting weddings. Send me more information on your travel plans, and we will create a custom wedding collection to suit your needs.

*Q: Do I have to order prints through you?*

A: I highly recommend ordering prints through my professional vendors, but it is not required. The difference in quality is huge when it comes to ordering through a professional lab, so I encourage clients to let us help with prints!

*Q: What equipment do you use?*

A: I use all of the latest canon equipment. I always carry the 5d mark iv, the mark iii, 50 mm prime lens, 16-35 mm lens, & the 85 mm prime lens, among many other items. All of my cameras and lenses have a backup in the rare event that anything should happen to one of my pieces.

*Q: Are the couples on your site models?*

A: Haha! While I am lucky enough to work with gorgeous couples, the images shown on my site and blog are regular, everyday couples.

*Q: How do we reserve our wedding date?*

A: A \$1,000 retainer and signed contract is required in order to get your wedding day on the calendar. Two weeks prior to your wedding, the remainder of the balance is due.

## *what to expect*

---

### GET THE MOST OUT OF YOUR ENGAGEMENT SESSION

#### *location...*

Add more personality to your photos by choosing the location of your session! Whether it's the local coffee shop or a local park where you first met your soon-to-be spouse, let me know if there is a place that is sentimental to you!

#### *but don't worry...*

However, if you are at a loss for a place to shoot your session, I have loads of places with every type of feel and look to help add a touch beauty to your engagement session!

#### *scheduling...*

Sessions are scheduled 3-4 months in advance. Cancellations and reschedules must be made via email or phone at least 48 hours prior to your session.

#### *what to wear...*

Wear something that makes you feel comfortable and confident! Patterns, bold colors, and accessories photograph really well. Feel free to get creative with your wardrobe!

---

#### STYLE TIP:

---

*While it is great to complement your future spouse in photos, by no means do the two of you need to wear matching outfits.*

*If your other half is more comfortable in solid colors, try choosing something with a little texture. Patterns are a great way to add contrast to your images. Be creative, and let your unique personality shine through!*

### *wedding day tips*

---

Gather all your details before the day starts so I can photograph them quickly! This makes the getting-ready portion of the day go by much more smoothly, and it allows me to spend more time focusing on the spontaneous moments when everyone is together.

Here is a list of ideas: ring, jewelry, hair pieces, flowers, shoes, socks, cuff links, letters, pictures, gifts, cultural items, invitations, programs, printed pieces, and any unique items you treasure!

---

### LITTLE DETAILS COUNT

---

Some of our couples' favorite images from their wedding day end up being the detail shots that are taken throughout the day. Details help tie everything together and tell the story of behind-the-scenes moments.

*Think about getting a wooden hanger for your dress. They photograph well and are great keepsakes for years to come.*

REMEMBER TO RELAX AND ENJOY THE DAY!

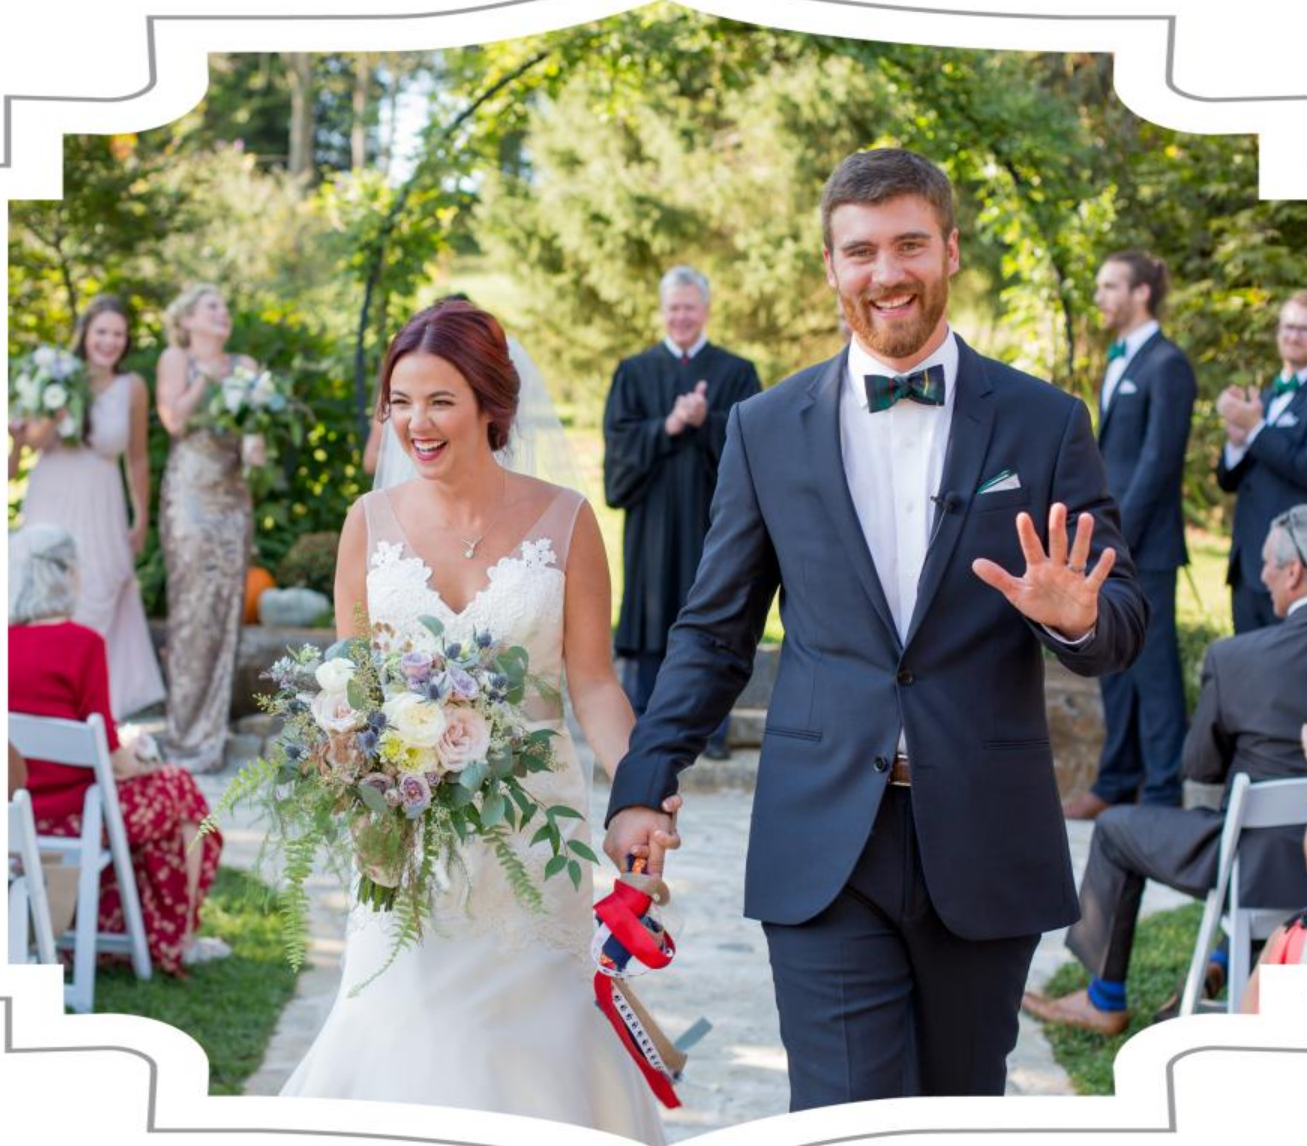

*"You know you hired a good wedding photographer when half of your guests are still raving about how much they loved her after the wedding. Words cannot express how happy we were with B.O.B Photography (Jill), not only as our wedding photographer but as a person who celebrated with us and our family/friends throughout the entire day."*

*Tracy & Brenden*
