Frequently Asked Questions

Q: Will you help me plan the dinner rehearsal? What about the bridal shower, bachelorette party, etc?

A: Absolutely! For an additional fee, we can add the planning of one or more of these events to a pre-existing package, or we can come up with a unique quote specific to your needs.

Q: Will you take care of returning items to vendors after the wedding?

A: Sure thing! At an additional cost, we'll take care of this so you don't have to. Just talk to us about what you anticipate needing to be returned.

Q: What if I need help setting my decor the day before the wedding rather than the morning of?

A: We can negotiate this into our existing packages with either a small, additional fee, or we will just shorten hours from the "day of" services.

Q: What can I expect in additional fees?

A: As noted above, there may be an additional fee for travel in some cases. While we service the Lake Country, Milwaukee, and Madison area primarily, we are located in Oconomowoc. If you pick a package or have needs that would require us to make multiple trips in excess of 30 miles from our location, we may add a gas and general travel fee. Also, you'll be charged an additional fee if you require transportation of items/"double" set up for the "set up" package, i.e. if your venue and reception are in separate locations. This is because we essentially need to set up twice, including transportation.

Q: What are some services that won't be provided by you?

A: We do not include these services without additional fee/consultation: set up tables/chairs, lighting, hanging anything from a wall or ceiling that would require a ladder (i.e., above 5-6 feet), audio/visual needs, cake transportation, and any type of food preparation. If you're unsure about something, be sure to ask.

Q: Can I add hours to any of the packages?

A: Additional hours are available for the "day of", "month of", or the creativity session at \$70 an hour.
