PRIVATE EVENT + SPACE RENTALS

## ABOUT US + OUR EVENTS

---

**LOS ANGELES** | Located in the historic Town Tire Co. building on Beverly Boulevard, our Los Angeles location houses an abundance of exclusive, design-forward home + décor items and expansive selection of containers and planted arrangements. With multiple indoor spaces along with a romantic outdoor patio space, this location is perfect for hosting an intimate gathering.

The Arrangement Bar serves as the perfect area for curating a cocktail area or food service. Our workshop tables can be used for on-site activations or as tables for seating and contribute to the flow of the space. With an open floor plan, we can seamlessly place live music or an interactive activation into your event!

**CULVER CITY** | With eight sprawling greenhouses spread over four different terraced levels, our Culver City location is a green oasis perfect for your next event. Our first floor features the Arrangement Bar, which serves as a great cocktail + food area. Our exterior plant level is ideal for an afternoon dinner or cocktail hour, while our interior greenhouse is the perfect quiet setting for the most intimate seated dinner or wedding.

**DTLA ARTS DISTRICT** | Coming Fall 2017

## CAPACITY

---

Rolling Greens Los Angeles can accommodate up to 30 seated guests and 100 standing guests. Our Culver City can accommodate 30-50 seated guests depending on the space used and up to 200 standing guests. If your event houses over 25 guests, we do request the rental of portable toilets, as the plumbing at both of our locations is also vintage!

## DATE HOLDS

---

Rolling Greens is happy to hold a date for you without a deposit. If a request comes in for that date you have requests, you will be notified and given 48 hours to make a final decision on the date. **The space is not guaranteed until we have received a deposit for your event.**

## CATERING + VENDORS

---

We have preferred caterers and vendors that we love to work with however, we are open to creating new relationships and will consider a vendor of your choice. All vendors must be licensed and approved by Rolling Greens.

## PARKING + VALET

---

Rolling Greens Los Angeles has 6 parking spaces, but we do allow double parking when the store is closed for an event, allowing for up to 9-10 cars. We do have plenty of neighborhood parking available as well as metered parking on Beverly Boulevard. In addition, there is a park located across the street that has a large lot. We do require the use of a valet if you expect more than 30-40 cars at your event.

Rolling Greens Culver City has 5 parking spaces in the upmost lot and there is plenty of hill parking, which can house 15-20 cars at one time. If you expect more than this amount of guests, we highly suggest valet.
