Please note that 7K-Productions does not accept Gigs less than 3 hours in length. And the price for any equipment that is damaged while at a Gig by anyone that is not a part of the 7K-Productions team will be split (between 7K-Prod. and the Host/ Purchaser). To officially book a day, a non-refundable booking fee of 20% of the total price must be made. If not, anyone who does pay the 20% asking for the same day will be granted that day instead. **Paying less than the 20% does Not Book the date for you.** It is our goal to be as punctual as possible and be there 30 minutes prior to the start of the event at least, so we can set up. Any music played before the start time is free of charge, however any time added after the set time that was agreed upon will be an additional \$125 per hour (prices can change based on our discretion). A traveling fee applies to all gig events that are longer than an 1 1/2 half drive away or are in another state. Travel fees are also unaffected by coupons or discounts given by 7K-Productions, and they are subject to change based on distance, location, and time of year/ time between booking and event. Depending on the location and the most effective means of transportation, it may be requested that the traveling fee be paid in full at time of booking fee payment.
