FAQs

Do your packages include film photography?

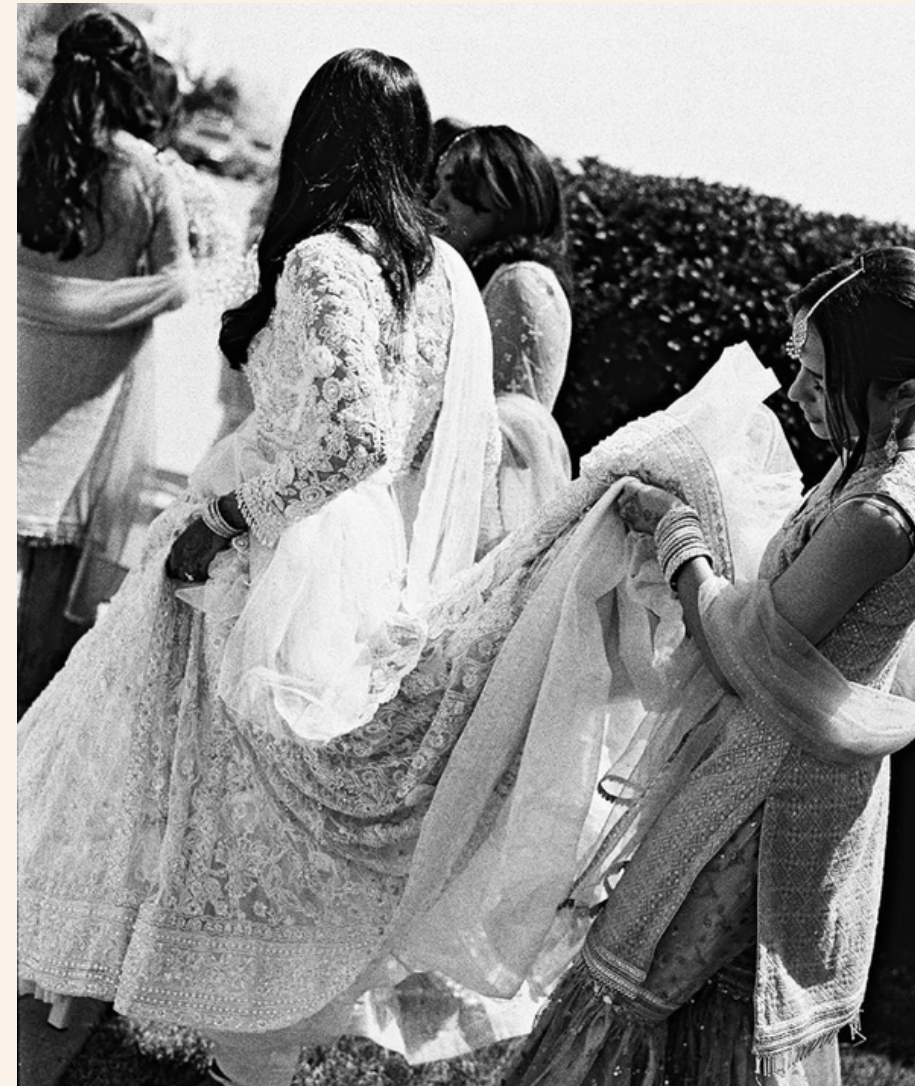

YES! Film is very important to my style and wedding workflow, so it is automatically incorporated into all of my wedding packages. I shoot a combination of both film and digital and bring the two together in a way that is cohesive.

How many photos will I get?

You can typically expect to receive about 75-100 photos per hour of coverage. I don't set a hard number but want to make sure you get lots of photos of all moments throughout the day without feeling overwhelmed.

When will I get my photos?

Wedding albums usually take 6-10 weeks (depending on the time of year) to be delivered and engagement sessions take 3-4 weeks. I always provide a substantial sneak peek around 72 hours after your wedding and will send a few sneak peeks from engagement sessions right away as well.

FAQs

Do you travel / do you do destination weddings?

Yes! I love to travel and will go pretty much anywhere to capture your day. I cover all travel expenses within 60 miles of Milwaukee (Chicago & Madison are no additional travel fee). Beyond that I have a rate of \$1 / mile. If it requires me to fly to your destination, the cost of airfare and a two night stay at a hotel or airbnb will be included in your package.

Can we consult you about our timeline?

Of course! Once you book me, I leave an open line of communication to help figure out timeline, locations, details, etc. I want to use my knowledge and experience to help make things as easy for you as I can.

BOOKING PROCESS

After you inquire, I'll have us set up a phone or zoom consultation to chat further, answer questions, and give you a run down on my approach. From there, if you decide you'd like to move forward, I'll send you a proposal where you can electronically sign my contract and pay a 30% non-refundable deposit. After that, I am officially booked for your day!
