

DOUBLE COAST

elopement + wedding pricing

Honest documentation of how wildly breathtaking humans are.

HELLO!

You're here because you're getting married and finding the right person to capture it all is a BIG deal. I get it.

My entire heart behind wedding photography in a small square:

I'm not going to just throw you into poses.

I don't want this to feel insincere or robotic.

THIS IS YOUR WEDDING DAY FOR CRYING OUT LOUD.

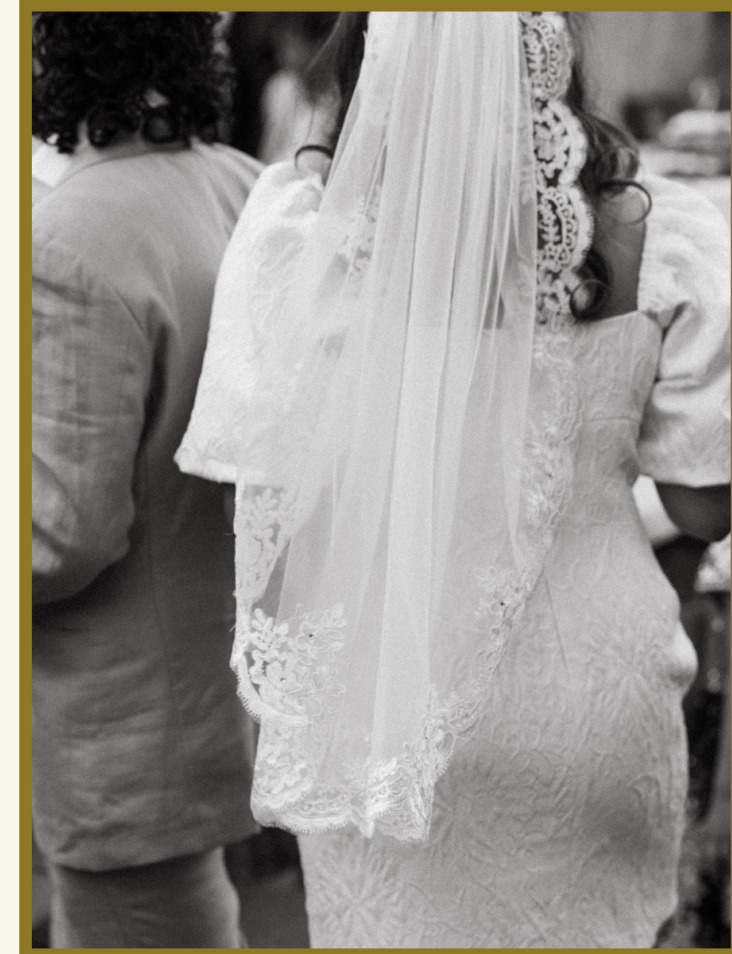

I want to make you comfortable and relaxed.

I'll do my best to help you enjoy every moment.

Because the moments are what are fleeting.

You'll have your dress, your rings, your person after the big day.
But only the glimpses of what you remember will stay - without photos that is.

Let's make sure the things that unfold are carefully and
creatively captured;
with heart and with intention.

HEY, I'M SANDRA.

I want to be your friend first.
I want to be your photographer second.

Your wedding/elopement is a huge deal.
I know you're putting so much time, energy, and finances
into this and I do not take that lightly.

I don't want to just show up and snap some photos.

I want to honor you, serve you, celebrate you, and make sure
you know how damn special every single moment of your
day is.

EVERYONE DESERVES BEAUTIFUL PHOTOS.

Let's make it happen.

Sandra

WHO ARE YOU INVITING TO YOUR PARTY?

I'm a 31 year old wife,
mom,
extroverted-introvert.

I grew up in California but moved away when I was 15. I then spent the next 9 years traveling and living all over. I've been to Africa, Asia, Europe, and spent a good chunk of my life in Mexico. I've also lived in New York (upstate), Arizona, and now Washington.

I think traveling opened my eyes to people and making friends in a whole new light. I credit it as a huge part of why I love capturing humans and making people feel at ease; we are all the same in that we just want love and belonging.

I love to dance, eat, drink, and make my couples laugh. I'm a huge advocate for giggling on your wedding day (when appropriate). I am always making friends with the parents and grandparents at weddings and I genuinely love talking to elderly people and hearing their stories.

I'm not huge into perfection -
I like to run with raw and live a little spontaneously.

THE INVESTMENT

There are only a few things you get to keep from your wedding.

One of them is photos.

Not only are photos one of the most special things to have after your wedding, they're often the most cherished.

Children and grandchildren will ask about your wedding photos. Family and friends that couldn't attend will ask about photos.

These little pauses of time will often be the most sought after keepsake for generations to come.

PAYMENT INFO

I DO PAYMENT IN PARTS, NOT ALL AT ONCE!

Paying for a wedding can be overwhelming.
That's why I've set up payment plans.

I ask for 1/3 of the total cost upfront to secure
your date. I then begin immediately helping you
in your planning process.

I ask for the rest of the cost one month prior to
your wedding date.

If other payment timelines are easier, I'm happy
to adjust timing and amounts for each client.

FREQUENTLY ASKED QUESTIONS

DO YOU TRAVEL?

I do! I have a limited number of trips I'm willing to take a year but never hesitate to inquire.

CAN WE HAVE ACCESS TO RAW FILES?

Unfortunately not. I don't share RAW files because a huge part of my role as the photographer is to edit them. I love to edit and will take my time to carefully craft each one.

HOW MANY IMAGES CAN WE EXPECT?

*Typically for couple sessions you can expect 100+.
For weddings it averages about 60-80 photos every hour I'm there.*

WHEN WILL WE RECEIVE OUR PHOTOS?

*For sessions I usually have them edited within 2-3 weeks.
Weddings can depend on the season and the hours of coverage but I typically do my best to get them to you within 4-6 weeks.*

CAN WE SEE A FULL WEDDING OR PORTRAIT GALLERY?

Absolutely! I'd love to share one with you.

WHAT DO WE DO IF IT IS RAINING AT OUR SESSION?

*I like to always make sure my couples are okay with rain before I go forward. If it's pouring or stormy we will reschedule as to make sure my gear doesn't get broken and you don't get sick.
But I'm game if you are!*

DO WE NEED A SECOND SHOOTER?

Honestly no. No one NEEDS a second shooter. But if you're hoping to get everything covered, like guys getting ready, front aisle shots AND back ceremony shots, you will definitely want one! It's like I can be in two places at once :)

I'VE NEVER DONE THIS WHOLE WEDDING THING, ANY ADVICE FOR GETTING THE BEST PHOTOS OUT OF MY DAY?

Yes! In fact, I have an entire Wedding Handbook that I'll send you full of tips to set yourself up for the best photos ever. I'll also help you create your entire photo timeline to make sure the day runs seamlessly and we have time for all the photos you'll ever need!

CAN WE MEET YOU BEFORE OUR WEDDING?

*Of course! I prefer to meet before your wedding. There's nothing like having an absolute stranger show up to be involved in the most sacred moments of your life.
Phone calls and FaceTime are great!*

WHAT SHOULD WE WEAR FOR OUR PHOTOS?

I can send you some outfit boards for inspo and help! Just mention it :)

I DON'T KNOW HOW TO POSE IN PHOTOS – HELP!

That's what I AM HERE FOR! I have all the tips and tricks and will make sure to give you gentle direction every step of the way. You just show up and I'll take care of the rest.

NOT ONLY ARE WE SUPER PLEASED WITH THE PHOTOS, BUT THE ENTIRE PROCESS OF COMMUNICATING, PLANNING, AND THE ACTUAL PHOTOGRAPHY WAS A BREEZE. SANDRA WAS SUPER HELPFUL WITH TIMELINES AND GUIDELINES FOR THE WHOLE CEREMONY, WHICH WAS WONDERFUL BECAUSE IT TOOK A TON OF STRESS OFF US FOR THE WEDDING

Oh my goodness I don't even know where to start. Sandra took our wedding photos and we are absolutely in love with them. Not only are we super pleased with the photos, but the entire process of communicating, planning, and the actual photography was a breeze. Sandra was super helpful with timelines and guidelines for the whole ceremony, which was wonderful because it took a TON of stress off us for the wedding. We knew exactly where she would be during the ceremony and when all of the individual photoshoots would be taken. She's also like, the sweetest person. If you're looking for a talented photographer to capture your special moments timelessly, she's your

girl!
