THE WEDDING EXPERIENCE

## MEET MY LITTLE FAMILY. . .

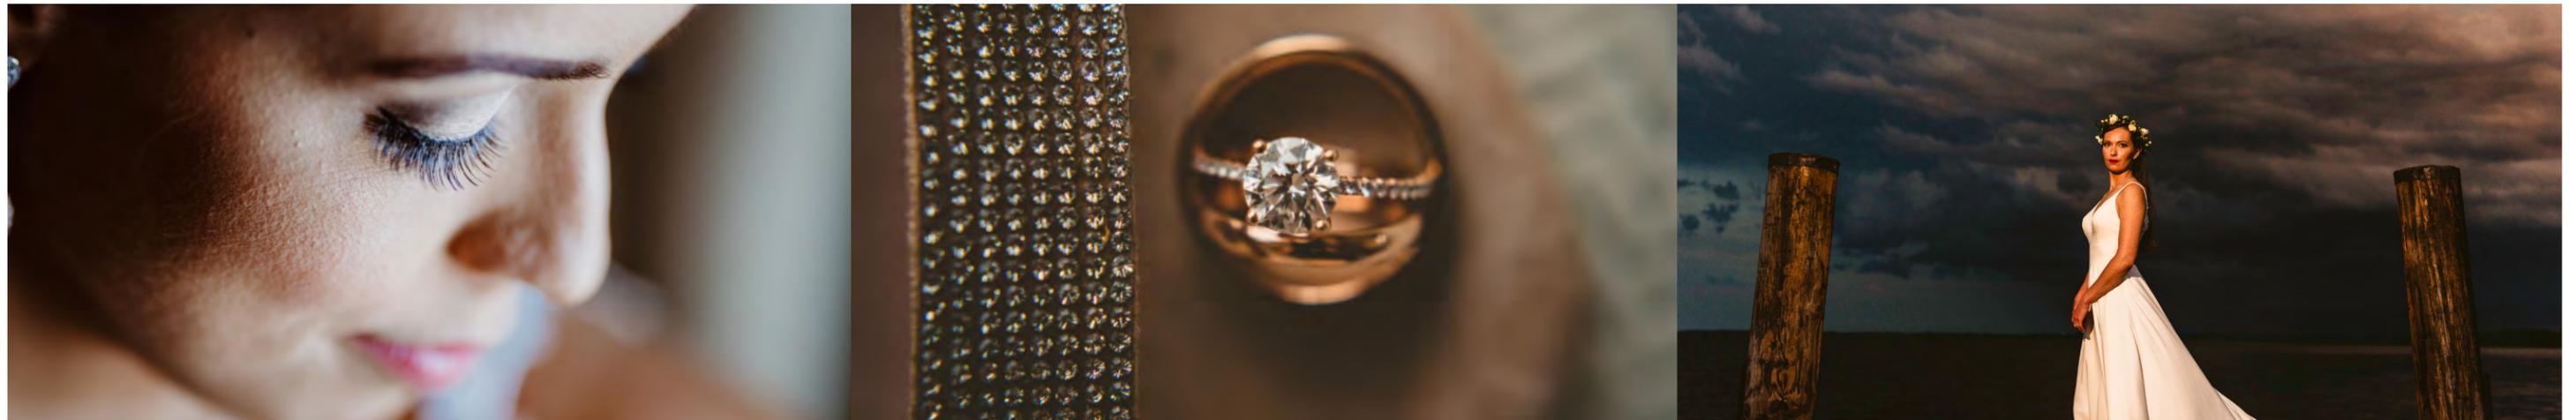

*Oh hey there new friend!* CONGRATULATIONS on your engagement!! This is such an exciting time for you! I'm super pumped that you found me! I believe that getting to know my clients is the #1 way to ensure an awesome experience, so, I'd love to tell you a little about more about me! Here are a few things you should know!

- My husband's name is Patrick (Pat) and we met through friends. It was love at first sight and now we've been married 7 years!
- We have two children- Tripp, who is 4, and Lettie who is 2! Tripp is a Star Wars fanatic and a very typical rough and tumble boy, and Lettie loves Frozen, dressing up, and kittens.
- I live in Annapolis, MD but love to travel!
- My entire family is originally from Montana and my parents moved to Annapolis when my dad joined the US Secret Service right before I was born! And yes, Montana is as beautiful as you'd imagine.
- I've been shooting since 2012 and have never looked back.
- Sometimes Pat comes with me to weddings as my assistant. If not him, I have 2 other assistants that rotate based on availability!
- A big plate of sushi and a nice red wine is my ideal dinner!
- When I'm not behind the camera or hanging with my family, you can find me going for a run.

*Cheers,  
Maggie*

# THE Wedding EXPERIENCE

**MY PHILOSOPHY** | I'm sure your mind is racing with all that needs to be planned. It's all very exciting but it can also be somewhat overwhelming. You're planning the day that you've been anticipating your whole life and yet you only get one shot at it! By the time you get the hang of it, the planning is over! My goal as wedding photographer is to make this one aspect of the planning process simple. Photography is more than just images, it's a real part of your day. Not only do you deserve beautiful images, you also deserve an amazing photographic experience. When my couples feel comfortable and relaxed in front of the camera, that results in genuine, joyful images! When I think back to my wedding day, I remember amazing memories.... but most of the moments I remember really well are the instances that were captured in my pictures. They are priceless to me. Our photographer made us feel so incredibly comfortable and for the first time, I experienced what it feels like to be in front of the camera as a bride. Your wedding day is an experience from beginning to end and your photography is a huge part of that experience..... shouldn't it be fun? and enjoyable? and natural? I think so! My goal is to not only capture memories for my clients, it's to create an experience that they will never forget.

**THE PROCESS** | One way I ensure that my couples enjoy the BEST photographic experience possible is through forming a relationship with you. I try my best to make sure that all of my couples are the PERFECT fit for us before officially booking. A bride and groom should connect with their photographer, trust their photographer and be EXCITED about the whole process with them! After booking, I love getting to know my clients through an ENGAGEMENT SESSION that helps them warm up to the camera so that they are ready to rock and roll on the wedding day! By the time the wedding day arrives, my clients feel more like friends and that creates a safe and relaxed environment for photography! Now that you know a little bit about my approach to the wedding day, you can continue reading to find more detailed information about THE WEDDING EXPERIENCE!

# Word on the street...

I am not exaggerating when I say that Maggie went above and beyond in every way for us!! She is a true professional with impeccable attention to detail. She is creative, enthusiastic, and amazingly manipulates light in her photography. She is flexible, easy going, and one of the sweetest people we've met. Maggie captured our day perfectly. She returned our photos ahead of schedule and sent me sneak peeks as she was editing. I recommend her without reservation and we will definitely be going back in the future to document our various life milestones!! **If you're lucky enough to hire Maggie, you won't regret it!**

*-Ashley and Brian*

If you are looking for someone who's truly passionate about photography, you've found your girl. Maggie not only has an impeccable eye for shots and lighting; she's down to earth, impressively communicative, and timely. **Having a shoot with her really feels like you're hanging out with a friend with how comfortable she makes you and how easy she is to talk to.** You can tell she wants to be there with you — which just shows, along with her unique and stunning photos, that this is what she's meant to do.

*-Rachel and Jonathan*

Maggie was fantastic. Wonderful to work with, and produced amazing photos. Maggie accommodated all of our requests, and made sure we had the perfect blend of traditional and unique photo style. Her turnaround time for both engagement photos and wedding photos was incredibly fast. **We can't recommend Maggie enough.**

# FAQ's

## ENGAGEMENTS:

I am more than willing to travel for engagement sessions! I actually love it when my couples ask us to photograph them in a location that means something special to them! I book engagement sessions at least two months in advance and 30 miles of travel are included.

## DIGITAL FILES:

I average 40-100 images per hour that we're shooting. I love delivering our client's files quickly and easily via an online gallery. You will have the ability to print, share and download your images as much as you want. I believe in freely sharing our work because that is what I would want if I were in your shoes!

## COVERAGE:

I am often asked if 8 hours is enough time to capture the full wedding story and the answer is yes! Our main goal right now is securing and saving your date. You can always add additional coverage as we get closer to the big day and we have a good idea of your timeline.

## MY SHOOTING STYLE:

I love being both interactive and discreet throughout the wedding day. There will be parts of the wedding day when I will need to be in control in order to accomplish everything that needs to be done while staying on schedule. There will also be moments when you shouldn't even know that I'm there. (The ceremony, during dances and toasts, etc.) I teach our couples how to pose, model and interact during their engagement session so they are naturals on the wedding day and don't need quite as much instruction from us!

## BOOKING:

Once I have answered any questions you may have and you have decided that our Wedding Experience is exactly what you're looking for on your wedding day, the next step is a booking proposal. I will create an online proposal that will walk you through the package and when you're ready you can save your date by signing your contract and paying the retainer.

# Thank You

I'm so glad you contacted me! Enjoy this season of engagement and get excited about your BIG DAY because it's going to be amazing! Plan and prepare but always remember that at the end of the day, you're marrying the love of your life and that's all that really matters. Congratulations on your engagement and I look forward to hearing from you!

*Love, Maggie*
