A woman with long dark hair, wearing a dark blazer and high-heeled sandals, is sitting on a light-colored couch. She is smiling and looking towards the camera. The background is a plain, light-colored wall. The text is overlaid on the image in a clean, sans-serif font.

HEY THERE!

Hi, I'm Skylar, the owner and photographer of Skylar Lien Photo. My passion is documenting love stories in a way that will allow you to relive your day for the rest of your life. I feel so lucky to work with so many amazing couples every day!

Based out of Birmingham, AL, I have been a photographer since 2014.

My style of photography is documentarian, timeless, and intentional with a hint of editorial! I best explain this as believing in prompting rather than stiff poses, and paying attention to the details that define you at this moment in time. I give my couples a lot more movement than my graduates, so my graduates should expect a hybrid between loose posing and prompts!

I have a huge background in athletics photography, and I use it **BIG TIME** in my photography business now!

MY PHOTOGRAPHIC APPROACH

When you work with me, I do not just try to float through your wedding day. I pride myself in creating a personable relationship with my brides and grooms so you feel the most comfortable around me as possible; It's like having an extra friend following you around!

I have a vast experience with sports photography, so implementing movement in my sessions keeps me inspired! I worked with professional and collegiate athletes for years, so I have a great understanding of what poses will look natural and fluid while complimenting your body type.

Even though I preach that I am a fly on the wall during wedding days, I want you to come to me with any concern you have on your day. I am my couples' biggest advocates, and I want them to cherish their day. If you need a moment alone before you walk the aisle, I will kick everyone out of the bridal suite. If you need the florist to tweak your corsage, I'll get them to make it perfect.

I document love stories for a living, which means I also get the choice of loving my couples for a living. I will laugh with you, I will vouch for you, and I will support you long after your gallery is delivered. No matter how grand or intimate your wedding is, I treat every single couple the same: with all my heart.

WHAT TO EXPECT

The Months Before

After you book me, I will send you a questionnaire that will knock out any and all questions I might have for you about your wedding day. From there, I will work with you to create the perfect timeline so everything will run smoothly and you can have peace of mind. We will chat A LOT about details so everything is perfect. We will also schedule and have your engagement photos!

Payment

A 50% non-refundable deposit is required in order to secure your date. The remaining 50% of your balance is due two weeks prior to your wedding. I offer payment plans upon request, so please don't hesitate to ask about this!

The Day Of

This is your day- relax and enjoy it! I will ensure everything that is needed on my end is knocked out before your wedding so I do not interfere with your day. Think of me as a fly on the wall. I am here to document your day as it happens, not control it. I will keep track of the timeline to be sure we stick to the plan, but that is the fullest extent of my interference.

The Days After

Within 48 hours, I will send you sneak peaks in a custom digital gallery that you are free to share, post, and print! EEK! Within 4-6 weeks I will have your entire wedding gallery published and delivered to your inbox.

YOU HAVE QUESTIONS

Q: What sets you apart from other photographers?

A: When you work with me, I do not just try to float through your wedding day. I pride myself in creating a personable relationship with my brides and grooms so you feel the most comfortable around me as possible; It's like having an extra friend following you around! I have a vast experience with sports photography, so implementing movement in my sessions keeps me inspired! I worked with professional and collegiate athletes for years, so I have a great understanding of what poses will look natural and fluid while complimenting your body type.

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon sending your full gallery, I will also deliver a print release.

Q: How many photographers will be at our wedding?

A: All of my traditional wedding packages come with a second shooter to ensure we capture all of your moments. The Intimacy and The Affinity packages will only have me documenting your day so you may uphold the intimacy of your elopement/intimate wedding.

Q: Will my photos be posted publicly on your site or social media?

A: I love to show off my amazing clients across all of my social media accounts and on my website, but also respect your privacy. Ahead of your wedding, we will discuss whether or not you are comfortable being posted.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to the pesky things that distract from a photo. I believe that our imperfections are what make us beautifully unique, so I hesitate to edit out permanent features of your body, but if you have a special request, please let me know and we will evaluate the situation.

I HAVE ANSWERS

Q: Do I have to order prints through you?

A: I highly recommend that you order prints through my high quality print shop that can be accessed directly from your gallery, but you are not required to!

Q: What equipment do you use?

A: I'm a Canon girl through and through. I use a Canon R5, a 50mm f/1.2, 24-35 f/2, and 70-200mm f/2.8.

Q: Do you photograph destination weddings?

A: Yes! I love destination weddings and am always eager to travel for your special day. Travel is a huge passion of mine and combining it with photography sets my soul on fire!

Q: How do we reserve our wedding date?

A: A 50% deposit and signed contract is required to reserve your wedding date. After the deposit and contract are sent over, we can start planning all the photography-related details.

Q: How do we book bridals and engagement photos?

A: We will chat about what month(s) you want your engagement photos done and I will send my availability for that timeframe. From there, I will help you find the perfect location(s) and outfit(s). Bridal photos are an add-on that I offer, and are my absolute JAM! Just let me know that you are interested in them, and we can get to planning!
