2022 PRICE GUIDE

hello there!

I AM TIFFANY DAWSON PHOTOGRAPHY

Hi there, I am Tiffany! Congratulations on finding that special person you are going to spend the rest of your life with. I found mine too! So not only as a photographer, but also as a former bride, I know how important it is to have these memories documented. I love freezing those special moments between you and your significant other: the gentle kiss on the forehead, the admiring looks exchanged, the tender embraces. I love capturing all the things you love about each other!

Here is a little bit more about me: I am the proud mother of a beautiful little girl who was born in July of 2018. My mom was also a professional photographer, in fact we had a studio in our basement of the house I grew up in. So photography is in my blood! I also am a horse lover and have been a competitive equestrian since the wee age of six. I love exploring and traveling the world. I have a long bucket list of places I'd like to see. I am a Nerd at heart. In my Skyrim life I am a dragon born wood elf with a big orcish ax. I am a Game of Throne's and Grey's Anatomy junkie. Not quite the mother of dragons, but have I do have lots of fur babies. I am patiently awaiting a dc/marvel universe movie matchup: Tony Stark meets Bruce Wayne. Chai latte's are my drink of choice!

Thank you for checking out my price guide & reading my story. I look forward to connecting with you!

CLIENT TESTIMONIAL

I couldn't have asked for a better wedding photographer! Tiffany is so sweet and easy to talk to as well as being professional and organized. She also shot our engagement photos as part of the package we selected which was a great opportunity to get to know her and have my husband warm up to a professional photo shoot. Tiffany has a great eye for photos and poses and is great at explaining what she is looking for from the subjects. The very first photo we got back as our sneak peak is incredible and something I have not seen before. It was confusing in the moment what we were doing, but I'm amazed with how it turned out. Highly recommend hiring Tiffany! I know I'll be working with her again in the future.

FAQ

DO YOU TRAVEL?

Although I am primarily an Atlanta wedding photographer (and surrounding areas, my base location being Newnan), I LOVE to travel, I will photograph wherever I am needed. There will be a travel fee for any wedding located 100 miles outside from my home base.

CAN WE BOOK YOU FOR ONLY A FEW HOURS?

We create custom packages for many clients. Your wedding photos will be the ONLY thing you have left to remember your day, so we definitely recommend capturing the ENTIRE event, instead of just a couple of hours.

HOW MUCH DO YOU EDIT YOUR PHOTOS?

Post-processing is the most time intensive part of your wedding as we work hard to ensure every image meets our artistic standard. Every photo has our custom look applied, and is adjust for things like brightness and optimal color.

WHEN WILL I RECEIVE MY WEDDING PHOTOS

Your final wedding gallery will be delivered to you no later than 6-8 weeks. If you are purchasing albums or prints it will take additional processing time.

I'M READY TO BOOK! WHAT NEXT?!

AMAZING! I can't WAIT to get to know you and am so thrilled you've chosen me! To book I require a signed contract and 40% retainer. Dates cannot be reserved until these have been received. Contact me today and I'll send you full booking information!
