Intimate Wedding Packages

Photography, Videography and Officiant All-inclusive

Say 'I do' to our Intimate Wedding Packages! Perfect for intimate weddings with **less than 50 guests**, our package covers photo, video, and officiant services. Starting at \$1,500 for the first 3 hours, with an additional \$400 per hour up to 6 hours, clients will receive all AI-corrected photos (usually over 200 per hour) and 50 edited photos per hour. The video will be 1 minute for every hour booked. For example, a 4-hour booking will cost \$1,900 and include 800+ photos delivered within 24 hours, 200 edited photos within 4 weeks, and a 4-minute highlight video within 8 weeks. Clients can also receive discounts on albums. If clients require more products or a longer booking, we

recommend our Signature package. However, we're always happy to discuss details with clients.

What is an Elopement?

An elopement is a small wedding with the aim of being intimate, intentional & personal, focusing more on the couple's experience over guest experience. While most commonly held with no guests & only the couple, the definition of an elopement is changing!

Our elopement packages are available to folks having events with a maximum of 10 guests.

How It Works

*Unapologetically
you.*

It's simple. Your wedding day is about you and your partner joining your lives together. So, let's keep the focus on you. And! Craft a day that is without a doubt completely and utterly "you".

*It's all about
deep connection.*

Any way you think about it, it's about connection. Elopements are about the connection

*Let's have
some fun
along the way!*

I believe that we take a lot things in life too seriously. And your wedding day should not be one of those things. So let's keep it beautifully simple and stress-free so you can have some fun and enjoy the day that your forever adventure together begins.
