- Uncompressed DNG files for \$150. These are higher quality image files. DNG files retain all the detail of the original photo. They are good for further editing, or printing by Professionals. A standard Full-sized JPG file can be ~2-8mb in contrast a DNG file is usually ~28MB this is many times larger. This service must be ordered before the event. They are delivered via download link.

Travel Fees:

- If our travel time exceeds 1h (one way) there will be an additional 1h charge per hour. Events in NYC incur the same 1h charge to cover my travel/parking. I will let you know ahead of time if there are any Travel charges. (We'll let you know prior to booking)
