REVIEWS

We had such a great experience with Sarah ! She did such a great job at planning and preparing she was very thorough with her job and she made sure everything was done as we talked about. Sarah really took charge without holding back! She told everyone what to do and was able to take control of the situation! My favorite thing is she made sure I (the bride) was hydrated all night 😊

We were so lucky to find Sarah when we were planning my sons wedding & luncheon. She immediately gave us the confidence we needed to just handle everything!!! She is very organized and relatable and has so much knowledge to make your event go smooth. She goes the extra mile and I could literally go on and on. She is forever my event/party planner!!!

Wow, you were THE best decision we made with the wedding! Seriously, thank you so incredibly much for helping, and dealing with my crazy.

It was wonderful and we could not have done it without you.

If you need an event / wedding planner, Sarah is no BS, "get down to brass tacks" kinda girl. She was amazing at my nephew's wedding luncheon event.
