

First, we would like to say Congratulations! Below we have some quick details of the process for our Wedding Gifting Service and how we may be of assistance to you.

- **Do you have a minimum number of gifts required for your service?** We do require a minimum of 5 gifts for our gifting service.
- **What is the price of your gifts?** Pricing is determined based on your budget per gift, plus labor, assembly and shipping. To provide you and your gift recipients the best gifting experience, we do recommend a minimum budget of around \$50 per gift.
- **How far in advance should I reach out for a consultation?** We typically request that our clients reach out at least 2 months in advance this will allow for revisions of the proposal and ensure that we can get all items for the gifts and it can be shipped and/or delivered timely. - **Do you offer delivery to the event location?** Yes, we do offer local delivery to the event location for clients within a 30 mile radius of the Cleveland area for a fee of \$25 and a \$50 fee for events in the Akron area. Delivery is to one central location.
