# Hello there!

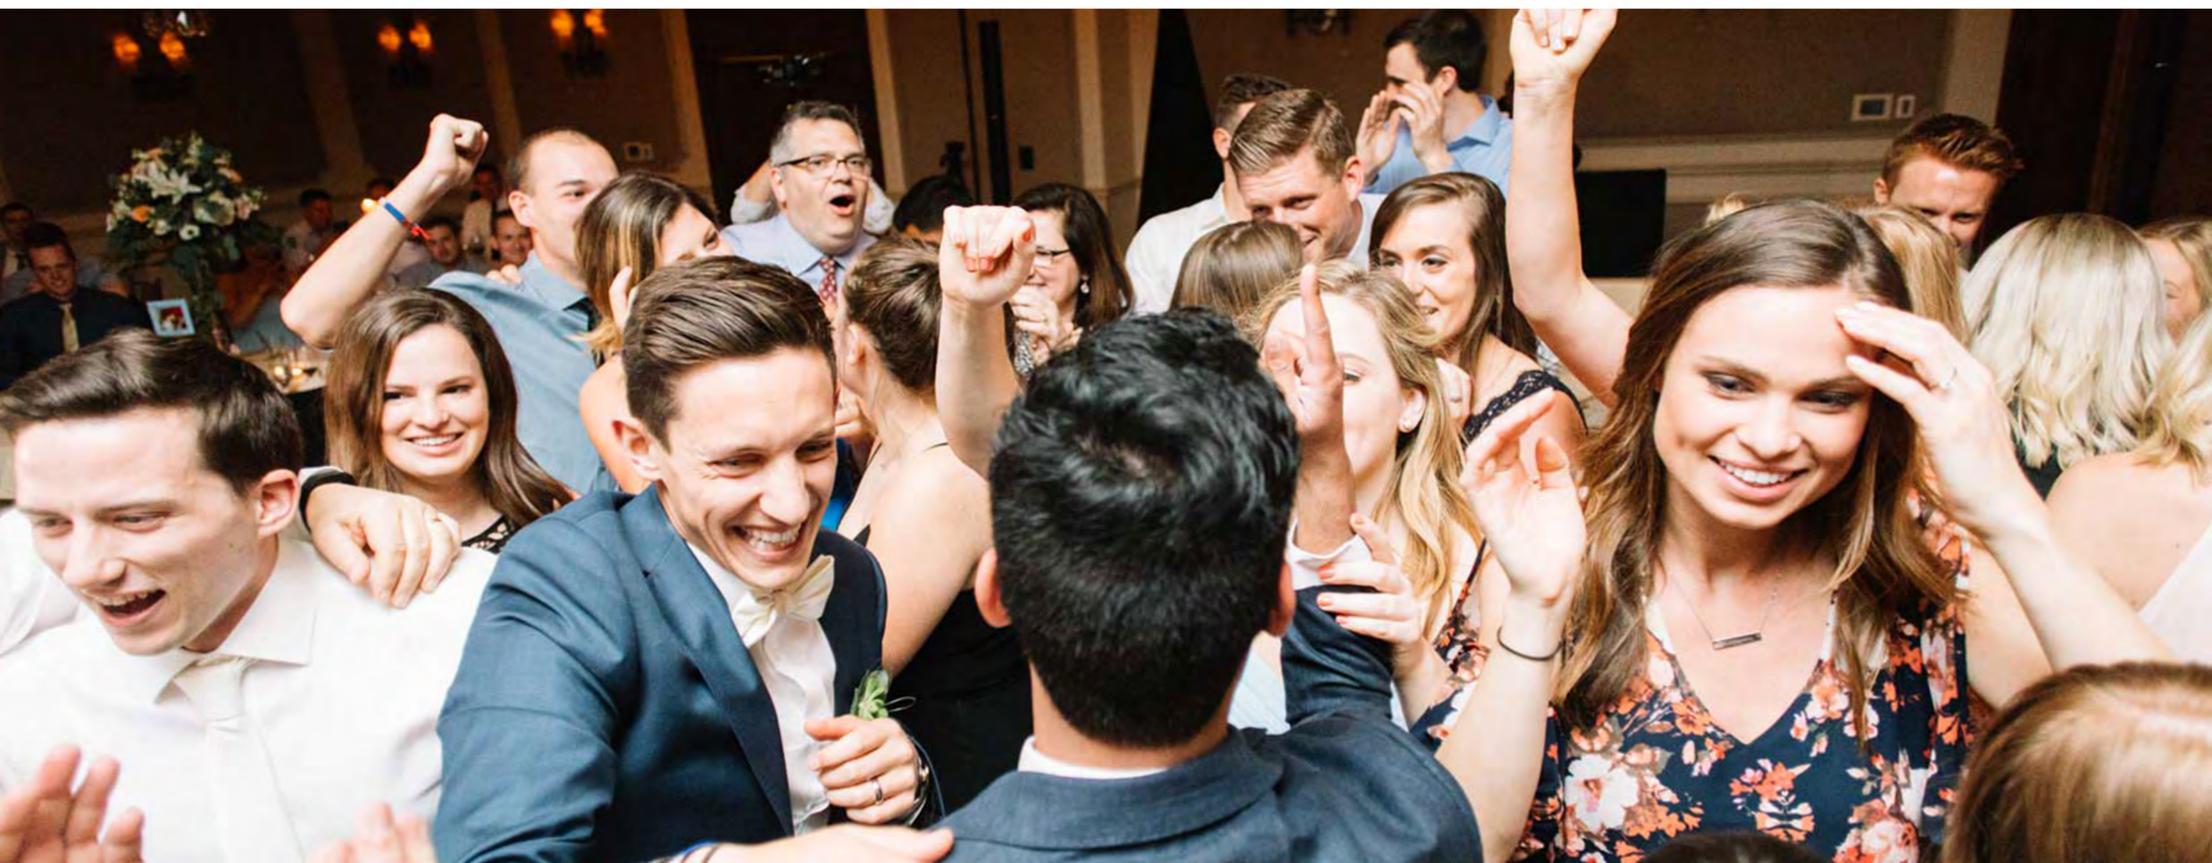

THE ULTIMATE DJ EXPERIENCE

---

DREAMERS, ADVENTURERS,  
& LOVERS OF LOVE!

Your choice of a disc jockey service is an insurance policy against bad memories of a disappointing occasion. When it really, really counts, it's results that separate GOOD from GREAT. It's not only WHAT we do but HOW we do it that defines our services. With years of experience as a wedding DJ, Christopher is sure to help make your big day one that you remember for many years to come. This is the DMR Wedding Entertainment DIFFERENCE!

I love this craft for many reasons and the number one reason is being a part of a couple's most special day. It is a huge honor and privilege to me. And when I see the smiles on the faces of my couple-when they tell me how grateful they are for my service-it really is worth the investment of time and energy I give to ensure every wedding is personal and customized.

## BOOKING

# Options

Your wedding is as unique as the two of you, so we work with couples to create individual packages that fit them perfectly. That said, these core options will give you a starting point based on what our most common packages look like.

### “THE WAY YOU LOOK TONIGHT” | Starting at \$3500

For the couple that’s all about the glitz and the glamour that wants all of the bells and whistles. With full planning and coordination with rehearsal dinner attendance, to our transformative sound and lighting that includes uplights, a fairytale first dance, as well as cake pinspotting... We want to make sure your event is absolutely flawless.

### “UNFORGETTABLE” | Starting at \$1795

Designed with you in mind, this is the best of both worlds where price meets style. This is our most popular package which comes with full planning and coordination, our premium sound system, dance floor lighting with uplights, and rehearsal attendance.

### “I’M YOURS” | Starting at \$1195

For the couple who wants the glitz but not so much about the glamour. Perfect for when less is more. Comes with full planning and coordination as well as our professional sound system and endless music library.

## WHY SHOULD I BOOK DMR WEDDING ENTERTAINMENT?

Quite simply, we're professional, we're experienced, we know how to DJ, and we're ready to bear the brunt of creating an entire playlist of music for your event or take direction from you in putting together your favorite list of songs and then perfectly piecing them together.

## ARE YOU INSURED?

We are fully insured with both property and liability insurance to protect all parties involved.

## WILL THE DJ ALSO ACT AS THE MC?

Absolutely! MC duties are included with all of our packages at no additional cost. We can do everything you need or work in conjunction with an MC you have chosen.

## CAN WE MEET OUR DJ?

We absolutely recommend an in-person meeting with your DJ well before your date (we suggest about a month before) to discuss and finalize the event details.

## WILL THE DJ TAKE REQUESTS AT MY EVENT?

Our DJs only take requests if you allow it and if so then will "filter" requests meaning they we will not play a song, genre, or artist that you've asked us not to play.

## WHEN SHOULD WE BOOK OUR DJ?

A good time frame is at least six to twelve months in advance for a wedding. Less for other events. We generally do have DJs available for last-minute bookings.

xoxo
