FIRST THINGS FIRST!

INTRODUCTION

Heyyo!

You're getting married, wwhhhaattt!!! So happy for you two! If you're reading this, it means you connected with my work in some way, whatever that may be. There is honestly no better compliment than a couple trusting me with documenting their love story.

This means you have to be okay with me capturing everything! I want to capture your windblown hair, your dirt stained dress, the unexpected tears streaming down your face. This is about that real stuff.

I've been capturing moments like those since I was 12. I remember my mother brought home one of those point and shoot cameras one day and I immediately ran off with it while she wasn't looking! Little did I know I had just discovered one

of my deepest passions in life, photography. Later on down the road I also discovered my interest in creating small films with friends and family. It wasn't long before I started offering video services along side photography for my couples.

I'm going to be completely honest, I love what I do. I get to hangout with rad couples like yourself and document their love stories. Ultimately I want to be more than just someone showing up with a camera. I want to be your hype man, ninja paparazzi, and your new bff! The better I get to know who you are and what your all about, the better I can capture who you both truly are to eachother.

“Photography is a way of feeling, of touching, of loving. What you have caught on film is captured forever... It remembers the little things, long after you have forgotten everything.”

— Aaron Siskind

SHOOTING PHILOSOPHY

Megan & Garret / Halter Ranch

“Gage exceeded our expectations. He was very polite, professional, and easy going. He didnt make us feel uncomfortable taking pictures and took amazing shots! Not only was he very responsive with my (im sure annoying) questions, but he was very friendly in person and showed up on time. I am in love with our pictures and cannot wait to post and share them with all of my guests. Do not hesitate in booking him. You will not regret it!”

BEING A GREAT PHOTOGRAPHER & FILMMAKER DOESN'T START OR END WITH ME. I ENJOY GETTING TO KNOW WHO I'M CAPTURING. I LOVE CREATING A RELATIONSHIP WITH MY COUPLES BECAUSE WHEN I START TO FULLY UNDERSTAND THE NUANCES, QUIRKS, AND QUALITIES THAT MAKE YOUR LOVE UNIQUE, IT ALLOWS ME TO TRANSLATE THAT INTO MEANINGFUL PHOTO & FILM.

"If he is available... BOOK HIM!"

Gage was amazing from start to finish and the quality of his work is even better! We took all planning of our wedding pretty seriously and Gage was the easiest/best decision we made. He was new to the area when we booked him but the quality of his portfolio grabbed our attention so we took the "risk" of booking a newer vendor.... and I recommend you book him as well now before he blows up and becomes too successful to deal with wedding gigs.... seriously!

I WANT TO KNOW MORE!

FAQ's

Q: Is the reservation fee/deposit refundable?

A: No, and here's why. Very often there are multiple couples trying to book me for the same date. So, if I commit to your wedding date, and block off that weekend for you two, that now leaves the 3-5 other couples that also wanted that date without my services. It might be months before you decide to cancel your event and by then I've lost those other 3-5 clients. I'm here to commit 110% of my time and effort and planning to your wedding day.

Q: Do we need a second shooter?

A: Yes! Imagine having a second me running around covering things I may not be able to capture because Jimmy just asked me to take his picture with Jamie. This especially comes in handy when people book me for Hybrid (Photo+Video) Packages.

Q: How do you accept payment?

A: Online Payments, Debit, Credit, Check or Cash!

Q: Do your prices include tax?

A: Tax is included in whatever collection

you choose to invest in. However, if your payment is to be made online, STRIPE incurs a 3.5% charge for utilizing their services.

Q: What do we do if it's raining on our wedding day or engagement session?

A: Well, as someone who originated from Seattle, I love the rain. Some of the best and most memorable weddings/sessions have been in the rain, however I have no issue trying to reschedule with you so don't fear!

Q: Does it cost to have you travel to our wedding? How much?

A: Yes! Once again, not because I want to drain your pockets, but because traveling can be expensive on my part. Having to lug \$10,000 worth of camera equipment across the world gets expensive! Let's discuss the costs during our consultation!

Q: Can we bring our dog? Can we bring props?

A: OMG yessss! Props, pets, etc.! The more we can customize your shoot to who the both of you are, the better! If there are any other ideas that you have for please ask, I love collaborating with my couples!

HOW TO BOOK

ALISON & MIKE / CAMBRIA COAST

"Our style 100%. We chose Gage for so many reasons but the biggest driver was his style. There's a vintage, elegant feel to it. They're the kinds of photos that are timeless and everyone absolutely loves every single shot. We also had booked him for video. Hands down, the most bang for your buck. I cried watching our video. Gage felt like one of the guests when it came to familiarity but made himself scarce when those special moments were taking place. A true professional."

THANK YOU

YOU ROCK.

Not only do I applaud you for making it through my brochure, once again being considered to document & capture your big day is honestly a huge compliment. I've spent many hours and late nights honing my craft and learning how to provide the best service to my couples and clients.

So, it means alot that you're even here reading this.

Seriously.
