## A Wedding Officiant Service

***Providing Leadership That Is Effective, Enthusiastic, and Engaging!***

Frank Broyles, widely recognized as an experienced, dynamic, and dependable wedding officiant, is now available to couples in the Hudson Valley region, northern New Jersey, and Western Connecticut.

In addition to being a *Wedding Officiant* Frank served for four decades as a community pastor and community organizer. He has been:

- A congregational Minister of Church and Community
- A pastoral care leader and community chaplain
- An interdenominational/interfaith program catalyst
- A leader in community efforts that further unity.

Frank serves out of his spiritual path in the Christian tradition but works well with diverse commitments and practices. Having conducted close to 1000 weddings, he tailors services for couples, accounting for background, interests, and expectations. His offerings include:

- *A service emphasizing tradition, ritual, and formality*
- *A contemporary service that includes the best of tradition*
- *A Protestant service*
- *An interdenominational service blending Protestant, Orthodox and Catholic perspectives*
- *An Interfaith service integrating the Christian tradition with other spiritual paths*
- *A civil service that includes spiritual/inspirational perspectives*
- *A multicultural service celebrating ethnic traditions and honoring diversity*

Most services include vows, rings, prayer, sacred readings, and a brief message/charge to the couple. Some couples also choose a unity candle or pouring of the sand; others prefer simplicity. The final elements, including combination and order, are jointly determined in the planning. Planning usually includes at least one sharing session and several e-mail/phone communications. Ideally done in person the sharing can be carried out through phone, skype, and e-mail when necessary. Planning at times

explores background, common ground in values and interests, communication patterns, and clarifying any spiritual perspectives and commitments the couple brings to the marriage.

An honorarium for full access to his leadership ranges between \$150 and \$325. This is negotiable, depending on specific needs, planning time, ability to pay and travel costs incurred.

***It is Frank's delight to to work with couples, serving out of his God-given capacities as an effective, enthusiastic, and engaging wedding officiant. Please give him this opportunity! To explore or secure his services call 256-529-1062 or e-mail [fbroyles@live.com](mailto:fbroyles@live.com).***

*"To our family, Frank Broyles is much more than the man who officiated at our wedding. He was able to counsel us before our mixed-religion wedding and he was dedicated to ensuring that our ceremony was just as meaningful for our Jewish family and guests as our Christian family and guests. Over 35 years later, our memories of that special day remain strong and meaningful and we still keep in contact with the man that lovingly made us husband and wife." Larry and Kyle Jess*

*"We were extremely pleased with Mr. Broyles - he was the perfect wedding officiant for us. He was warm and friendly and put us at-ease immediately. He took time to talk to us and discuss what the ceremony should be like. We had a last-minute, private elopment ceremony at a favorite outdoor spot. He was very willing to work with us on location on what to include/not include in the ceremony. He met us an hour before the ceremony, yet managed to make our ceremony more beautiful and meaningful than we could have ever asked for!*
