Bartender Fees

Bartenders are provided at a charge of \$150 per bartender per five-hour period. These fees are subject to California State sales tax. The hotel recommends one bartender for every 75-100 guests for a hosted bar and one bartender per every 100-150 guests for a cash bar. The Pierpont Inn reserves the right to discontinue alcoholic beverage service at any time. Only alcoholic beverages purchased from the hotel are permitted to be served in public areas.

Warning: Drinking beer, wine, coolers and other distilled beverages may increase cancer risks, and, if consumed during pregnancy, may cause birth defects.

Room Capacities

The Pierpont Inn has banquet facilities that accommodate groups from five to 220 people. Ask our catering staff which banquet room will best serve your needs.

Event Hours

Afternoon: 11 A.M. to 4 P.M. | Evening: 6 P.M. to 11 P.M.

Menu Selection

To comply with local health codes, all food and beverages served in banquet areas must be provided by The Pierpont Inn. All menus must be confirmed two weeks in advance. Exact numbers of each selection must be provided ten (10) working days in advance. Due to insurance regulations, no remaining food or beverages shall be removed from the premises. At conclusion of the function, such food and beverages become property of the hotel.

Guaranteed Guest Count

The expected guest count is required by noon, ten (10) working days prior to the event. This is the minimum guarantee not subject to reduction. If no guarantee is received by the Catering Department, The Pierpont Inn will use the number of guests estimated on the original contract as the guarantee.

Function rooms are assigned by the number of guests anticipated to attend. The Catering Department reserves the right to change the assigned rooms to comfortably accommodate guests, should attendance substantially drop or increase.

Deposits and Payments

To reserve banquet space, a non-refundable deposit is due upon booking. Payment in full is required seven (7) working days prior to the function date in the form of cash, credit card, money order or cashier's check. Personal checks will not be accepted for final payment unless received fourteen (14) days prior to the event.

It's Your Day

A truly memorable celebration calls for meticulous attention to detail and a team of professionals who have a lifetime commitment to making magic happen.

Service and Labor Charges

A 21% service charge and the California sales tax are added to all food, beverage, corkage, cake cutting, chair covers, chair rentals, dance floor, audiovisual and vendor table totals. California Law stipulates that the service charge is taxable. If room set-up changes are necessary less than 24 hours prior to the commencement of a function, a \$200 labor set-up fee will be added.

Decorations

- Client is responsible for all room decorations and placement of party favors
- Candles require prior hotel approval
- A \$200 clean-up fee is assessed if confetti or glitter of any type is used
- The Pierpont Inn does not permit the affixing of anything to walls, floors or ceilings with nails, staples, tape or any other substance unless prior approval is given by the Catering Department

Audio-visual equipment may be arranged through The Pierpont Inn Catering Department.

Loss or Damages

The Catering/Banquet Department shall not assume responsibility for the loss or damage of any articles or merchandise left in the public function space.

Wedding Ceremony and Reception Coordinator

Your catering manager will assist you in the preplanning of your agenda, menu, set-up, linen selections and centerpieces. The banquet captain will be present the day of the event to coordinate the food and beverage particulars of your event. We highly recommend that you have a wedding consultant to coordinate your ceremony and other details of your reception.
