

Hello & Congratulations

We are a total photography & videography business that can give a great service and professionally insured for all wedding events. and are members of several professional photographer associations world wide. We do combination or separate photography and videography for all events and TV commercials.

Everything is professionally edited.  
We use 1-3 cameras for wedding ceremony and 1-2 for reception depending on situation.  
Every wedding package comes with 4 dvds of video.  
We also put a revised version on vimeo and pictures on smugmug.  
Pictures are edited to 300-600 and put on 4 DVDs or CD-r with lables  
The longer the wedding the more pictures and video.

Small weddings

Videography 975.00  
Combined together 1750.00  
We come 2-3 hours before wedding for video & pictures and stay until all of the main events and cover all of the reception until the limo pulls away.

Bridal Portraits and pre-engagement session are 150.00.  
All other portraits sessions run from 150.00 to 250.00. This depends on the time and distance.

Average pictures taken for full wedding are 1500 to 2500 and edited down to 400 to 600.  
We also put 300- 400 edited pictures on the pro web site that you can download or print at a very low cost of 21 cents per photo.  
You can also print from any place you wish from the CDs or Thumb drive.  
Your family and friends can print or download as well with no extra charges.  
We use bay photo which is one of the premier photo print places in the world. You can also print metallic prints as well at a very low cost.  
You do not pay for any pictures on the web site or videos. They are free for everyone forever. Permission rights letter is on our web site if you need it.

We can lock all pictures and video with passwords if you wish for privacy.

All work is complete within 7-10 days

Some Internet pictures are ready with 2-3 days and sometimes the next day as well as video. Each day more are added. We keep you informed.

The videos can be downloaded and ready for installation to cell phones and tablets in 5 different sizes.

We can translate into any format on any medium.

We also include black and white and special effects pictures with every photography event or session.

All the above is included in the price above.
