

Sunset Lodge Maine Weddings

Weddings have been taking place at Sunset Lodge since 1923. It is the perfect venue for an outdoor, rustic, "destination" wedding. With open spaces, water views, beautiful sunsets, and onsite accommodations for 26, Sunset Lodge is an ideal spot for a wedding and will provide beautiful memories for a lifetime. June and September are ideal times for a wedding at Sunset Lodge. An additional 24 can stay in the adjacent Sunset Cabins, owned by our neighbor (it was originally all one property). This means that up to 50 friends and family can stay on-site and share in the celebrations. To maximize your privacy and enjoyment we recommend that you rent the adjacent Sunset Cabins as well, www.sunsetcabinsmaine.com, (price not included below) for, at a minimum, the day before to the day after the wedding ceremony. Contact us to discuss your plans and for additional information.

Now available: June & September 2018.
