MICHELLE & EVAN PHOTOGRAPHY

### HI & WELCOME!

We are *so excited* that you found us! Just like going on a first date, you might be wondering: "Who *exactly* are Evan & Michelle & *why* should I hire them?"

Here are a few things you should know:

- We are husband + wife wedding photographers based in Seattle, WA and real-life BFFs!
- Together, we've photographed all kinds of weddings across the U.S from small courthouse ceremonies to massive 14+ hour-long weddings. We love them all!
- Our hobbies? Exploring new countries, laughing until our cheeks hurt, trying new foods, and capturing photos that make people *feel*.
- We have an almost embarrassing number of photography equipment tucked in our at-home studio. But hey, we want to be ready for any- and every-thing come your wedding day! No wedding-day surprises will catch us off-guard.

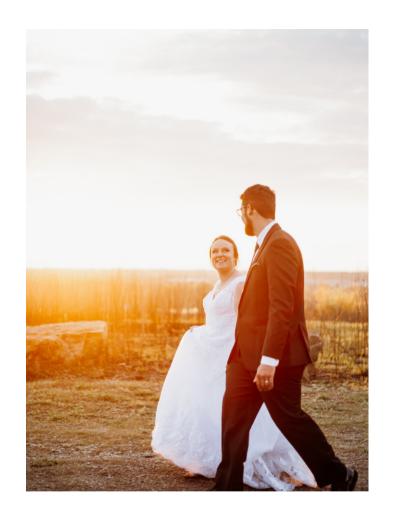

We believe that wedding photography is <u>more</u> than showing up and taking a million photos. So we make it a priority to actually connect with our couples so we can capture your wedding day in a way that feels authentic to *you*.

#### A FEW MORE THINGS TO MENTION ...

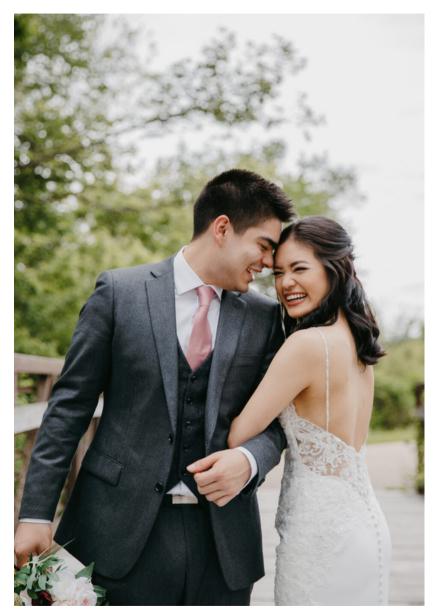

The couples that book us are often those who are *genuine*, *creative*, and *people who want to have FUN* - which is exactly our approach!

When you book us as your photographers, we'll take care of all the details when it comes to taking photos so you can be 100% in the moment - enjoying *the* day you and your bestie make it official!

Don't know how to pose? We've got a million tricks up our sleeves to prompt you into moments that capture the uniqueness of your relationship with your partner - while making you look *REAL* good:)

We promise to make your experience the most stress-free and ridiculously enjoyable time possible. Just like hanging out with friends that make you feel at ease! Deal?

# KIND WORDS:

"I can not say enough good things about Michelle and Evan! We first met Michelle at our engagement pictures shoot. She made us feel so comfortable, even though neither of us had gotten pictures taken before or knew what to do. The shoot was super fun and the pictures were amazing!

Leading up to the wedding day, Michelle was so helpful answering any questions we had & made sure we were comfortable with all the details. They were super professional AND made the day super fun. They knew a ton of different poses & prompts that made for the cutest pics.

We got a dozen "teaser" pictures fully edited and sent to us THAT NIGHT & got us super excited for the full set (and made for some excellent day of insta posts). And we just received the rest of our pictures less than 3 weeks afterwards...record time.

I joked with my husband that I wanted to get married again so we could hang out another day. I never thought that my wedding photographers would play such an active role in making my day perfect, but they did just that! I can't wait to do another shoot with them sometime...I year anniversary?"

## KIND WORDS:

"Michelle & Evan were a delight to work with! They have the most positive energy and a lot of patience. My husband and I are pretty awkward when taking pictures and they got us to be comfortable and captured us so well! I was so impressed by how beautiful the photos were and how quickly they got them to me. They have not only a gift for photography but a passion for people and their stories. I would 10/10 recommend them! :)"
