## WEDDING PLANNING

Our fees for event planning depend on your needs. If you have a smaller budget, or you are a do-it-yourselfer, we can help you come up with beautiful design ideas and show you how to put it all together. In that case we charge an hourly rate of \$100 for the time we invest in your event. If you have a larger budget, we can provide you with full service event planning, design, and coordination, and our service fee is 15% of the cost of the event.
