

Wedding Photography Pricing

6 hours	7 hours	8 hours	9 hours	10 hours
\$3200	\$3400	\$3600	\$3800	\$4000

All wedding photography packages include:

- Detailed coordination prior to the wedding day
- Wedding day photography coverage by Melinda
- Retouching (color, contrast, sharpness, etc.)
- Private online gallery of entire collection
- High-resolution color JPG files on a USB drive
- High-resolution black+white JPG duplicates
- Personal print release for ultimate flexibility
- An engagement or bridal portrait session

Couples typically receive 80-100 unique retouched images per hour of coverage.

Keep your package simple, or tailor it to suit your specific needs.

I know my couples are all unique, so I make sure there is plenty of room for customization. It is possible to increase the length of coverage, add a second photographer, remove the engagement session, or add custom album design.

Please let me know your specific desires and budget so I can send you a personalized quote!
