

## DJs on a Dime 2017 Price Sheet

### DJ/MC Services\*

One of our professional DJ/MC's will play prerecorded music, act as Master of Ceremonies, make announcements and assist or lead raffle drawings, games and certain group line dances. They'll also work with your event timeline and any other event professionals involved.

**Weddings: \$150/hour      6-8 hours: \$145.83/hour**

**Mitzvahs, Quinceañeras and Sweet 16 parties: \$150/hour      6-8 hours: \$145.83/hour**

**Parties: \$112.50/hour up to 5 hours      \$107.50 6-8 hours**

**Note: Travel fee might apply for events further than 50 miles from 91401**

**50-75 miles away - \$75      75-100 miles - \$100      100-150 miles - \$150**

\*Above pricing includes a two speaker sound system with music player, mixer and handheld wireless microphone. Also includes music and timeline consultation as well as use of our online planning system including event planner, customizable timeline and song request list.

### **Standard DJ Sound System – Already Included in DJ packages**

Our standard DJ sound system consists of two powered speakers, a laptop with DJ software and back up system, one Shure wireless microphone and Shure wired mic as back up, DJ mixer and two speaker stands.

### **Cocktail Hour or Ceremony Sound System - \$75 (1 speaker) \$100 (2 speakers)**

If your event requires a separate, smaller sound system for a wedding ceremony, cocktail hour or presentation, we have you covered. Our smaller systems feature one or two powered PA speakers depending on the size of event and number of guests, digital music player and a handheld wireless microphone, if desired.

Also available as an additional option (or included in our Wedding Platinum package), wireless lapel microphones for ceremonies or presentations. See Wireless Microphones below for more information.

### **Extension Speaker - \$40/per speaker**

We'll provide an additional, smaller, 12 inch powered speaker and speaker stand and audio cable to extend sound to areas not covered by the initial sound system.

### **Subwoofer - \$40**

Recommended for larger outdoor events, events with 200+ guests, or if you just want some "kickin' bass", we offer a Mackie SRM1500 powered subwoofer for more low-end punch.

### **Extended Sound System - \$200**

Recommended for events of 200 guests or more or events where guests are spread out over a large area, we add two more powered 12 inch speakers and a 15 inch Mackie SRM1501 powered subwoofer. This helps keep the overall volume down in the room while facilitating a comfortable volume for guests further away from the DJ area. All speakers have individual volume controls and can be adjusted to suit the room.

**Wireless Microphones** – While each DJ package includes a **handheld** wireless microphone, you can add an additional handheld wireless mic or wireless **lapel** microphones (great for wedding ceremonies) for **\$25 per mic**.

**Digital Video Projector and 7 foot screen - \$150**

We provide, set up and run our digital video projector, and 7ft. tripod video screen along with either a DVD/BluRay/Media Player or Macbook Pro laptop for video playback. Audio from your video/slideshow is patched directly into our sound system for a laughing-crying-hugging good time. Larger screens can be rented by us on your behalf at additional cost. Please call or message us for details.

**Up Lighting Basic Package (4 lights) - \$120**

**Up Lighting Premier Package (8 lights - \$200)**

**Up Lighting Platinum Package (12 lights - \$270)**

**Up Lighting Titanium Package (16 lights - \$320)**

**Up Lighting Platinum Package (20 lights - \$400)**

**Up Lighting Ultimate Package (20 lights + lighting controller for custom light mixing and movement - \$550)**

**Gobo design, ordering and Projection - \$175**

**DJ Façade** – Add a touch of elegance to your party with a DJ façade to hide the gear table and provide a clean look.

**Façade (Tabletop) only - \$50**

**Façade (Tabletop) with back lighting - \$65**

**Façade (free standing) only - \$75**

**Façade with static back lighting - \$100**

**Façade with programmable lighting - \$150**

**Speaker Stand Wraps (black) - \$40**

**Speaker Covers (choose from black or white) - \$25/ea.**

Add speaker covers and speaker stand scrims (below) for a clean, upscale look.

**Speaker Stand Scrims (choose from black or white) - \$25/ea.**

Add speaker stand scrims for a clean, upscale look.

**The Ultimate Light and Truss Package - \$275**

The Ultra Light and Truss Package includes a 8ft wide adjustable height truss plus two Chauvet LED DJ Bank lights, a Chauvet LED single Derby (projects a "dice-like" pattern on the dance floor), a Chauvet Double Derby light that shoots light beams out in different directions, an American DJ Galaxian 3D laser which projects green and red laser patterns on the ceiling, wall or dance floor, plus a rotating colorball light and a fog machine (if venue allows) as well as two other pulsating lights for "The Ultimate Light Show"!

**Wedding cake pin spot - \$40**

**Fog Machine - \$25**

Pending venue approval, add a fog or smoke machine to give your lighting more depth and excitement.

**“Dancing on a Cloud” Fog Machine - \$400**

Do your first dance as you’re “dancing on a cloud” with a special low-lying fogger used in film and TV that utilizes dry ice to achieve a “heavenly cloud” base at your feed that goes no higher than your knees for a dramatic look. Great for wedding 1<sup>st</sup> Dances, Mitzvahs, Sweet 16 & Quinceañeras, Halloween parties, etc.

**Assistant DJ - \$200**

Recommended for events with high emcee involvement and/or more than six hours in length, an assistant DJ helps keep the music flowing and provides other technical assistance to the lead DJ to ensure your event is a huge success!
