Step 3: Secure any hotel rooms needed by your wedding party or guests.

NIU Naperville has negotiated with local hotels to provide room blocks at special rates for our weddings. Some are just across the street, while others are about five minutes away and provide free shuttle service.

Step 4: Adding personal touches to make your celebration unique.

NIU Naperville offers several à la carte options to tailor your event to fit your style and personality. A wide variety of custom details can be accommodated by NIU Naperville including lighting, chairs and specialty linens. All of these options listed below are set-up or installed by our team.

UPGRADE OPTIONS:*

Lighting: The right lighting makes a huge impact. NIU Naperville can help you enhance your celebration with the following lighting options:

- **Uplighting Package**—This package includes 10 LED uplights with adjustable RGB color settings. Set up along the perimeter of the room, these lights create a soft, romantic glow.
- **GOBO Projector Light Package**—This upgrade enables you to project custom artwork or mono-gram initials onto any surface including wall, dance floor, etc. A monogram or graphic design is a gorgeous detail to personalize the space.
- **Chandelier Package**—If you are looking for a little extra wow, our hanging chandelier makes a gorgeous focal-point. Utilizing our chandelier featuring beaded strands makes a beautiful impression on your guests as they dine and dance the night away.

Custom Seating: You would be surprised the difference a chair can make to the look and feel of your décor. We make it easy to put the final touches on your celebration with our chair upgrade options.

Choose from:

- Custom covers with tie
- Garden chairs
- Chiavari chairs
