[WEDDING PACKAGES]

My goal is to document as many heartwarming, real moments as I can on your wedding day, focusing on capturing the main details of the wedding preparation, ceremony, reception and everything in-between. Candid moments are typically some of my favorite shots throughout the day, so you'll catch me snapping a lot of random shots of you and your guests!

Mini: \$850

4 hours of coverage
Custom USB of finished images
Print release

Collection 1: \$1250

6 hours of coverage
Engagement session
Custom USB of finished images
Print release
