

## FLORAL PACKAGES 2018-2019

### **THE SWEETEST**

This package is for our smaller wedding clients with a guest count of 100 or less. We spend time with you sorting out your design wishes and show you how to accomplish your look by focusing on color and style rather than specific flower choices. This allows us to give you pretty designs, while keeping your floral costs well managed. It includes all of the basics that you need and gives you the option of adding on a la carte.
