# Frequently Asked Questions

## ***What if I want to give my guests a choice of Entrée?***

If doing a plated meal you are more than welcome to give your guests a choice of up to 2 entrees. This must be done on your RSVP card in your invitations, as all counts are due to your Berry Creek coordinator 7 business days before your reception. When selecting an entrée option menu, all entrees must be served with the same salad, starch and vegetable selections. Place cards will also be necessary to identify each guest's entrée selection. Place cards must be presented in alphabetical order to your Berry Creek coordinator.

## ***What about deposits and final payment?***

We require a deposit of \$1000 of your food and beverage minimum which is applied towards your balance. 4 months prior to your wedding, ½ of the estimated balance is due and 7 business days prior to the wedding is when your final guest count and final payment are both due. Payments can be made in smaller increments leading up to the 4 month payment due and the final payment. We accept cashier checks, money orders, cash or credit cards for all payments. A personal check is accepted for the deposit and 2nd payment if within the time line listed above. **A personal check will not be accepted for the final payment. A Credit card must be on file with us for all transactions.**

## ***What if not all my guests show up?***

Once the guarantee is given 7 business days prior to your wedding, you will be charged for that number even if less people attend. Due to health standards, no food may be removed from the premises, with the exception of your specialty wedding cake.

## ***Do you allow outside catering or alcohol to be brought in?***

We do allow licensed outside "ethnic" caterers to bring in food. We charge \$15 per guest which goes towards the food & beverage minimum and covers the use of our chafers, silverware, glass, china, etc. You must still meet the food and beverage minimum set forth. **We do not allow outside liquor to be brought into the Club, all alcoholic beverages must be purchased through the Club.**

## ***Do I need to use your preferred event professionals?***

We highly recommend our vendors for extreme quality, reliability and professionalism for your wedding, however you are not required. All vendors are guaranteed at least a 2 hour window of setup time and all items must be removed following the conclusion of the event unless previous arrangements have been made with your Berry Creek coordinator. All vendors must supply their own equipment for setups. The club is unable to loan guests or vendors any equipment or ladders.

## ***Can I host my ceremony at the Club and what does it include?***

Yes, there are two ceremony options; outside on the diving range or inside ballroom depending on the size of your group.

Ceremony packages include:

- Experienced day of coordinator for your ceremony
- A one hour rehearsal scheduled with your coordinator
- White Columns/Rustic Arch for your incoming flower arrangements
- A Bridal Changing Room accessible up to 2 hours before the scheduled ceremony time. **All personal items must be picked up and removed from the room one hour after the completion of the ceremony.**

## ***What services does my Berry Creek Wedding Coordinator provide?***

Our tenured Coordinators help you all the way through the planning process of your special day at Berry Creek, which includes one on one meetings to go over questions, set up details and agenda. We coordinate your day of ceremony and rehearsal if applicable and your reception. We also set up any items that you have such as sign in book and pen, pictures, place cards, etc. **We do ask that any items that are individually wrapped such as sparklers or disposable cameras are un-wrapped prior to dropping them off with us and also that any sticker tags are removed such as on the bottom of toasting flutes or your cake knife and server.**

## ***What if I don't see my perfect menu in your packet?***

We love to customize our menus to fit your specific tastes and needs. Just let us know the direction you wish to go and our Chef and Catering Team will help you create the perfect menu for your event.

## ***Does Berry Creek provide a tasting?***

We do provide one complimentary menu tasting for four people although you are welcome to bring additional guests and share the plates we provide. We schedule the tasting three to four months prior to your wedding as long as your wedding has been secured with a contract and deposit. You may select up to Four hors d'oeuvres and up to three entrees for your tasting.

Tastings are scheduled through your Berry Creek coordinator Tuesdays through Saturdays based on availability.
