

*Hello! I am Ashley!* Thanks so much for reaching out to me. My home is in the southeast hills of Idaho. My passions include my family, the outdoors, documenting humans, chilling at home or in my yard, and working out at the gym. Some call me quirky - I'm definitely a kid that studied for the spelling bee. I am vulnerable and open as well as intuitive and calm. I love to travel and I'm so thankful for this life.

## 1. Consultation

2. First, we discuss your big day whether that is over email, text, Facetime, or in person. I like to know if we are a good fit. Sometimes you just know and sometimes we need to feel each other out before we plunge right in. We will chat about your vision. I am always happy to discuss your timeline and how much coverage I think you will need.

## 2. Booking and Planning

If we decide we are a good fit, then the booking process begins! Once we decide what coverage works best for you, I send a contract with all the business and logistics. Once that is signed, an invoice pops up for a deposit (which is half the total amount of your package) to officially secure your date. After this, we talk about engagement photos (if you decide to do one) and your wedding! I will help you ever step of the way and we will become good friends in the process!
