

String Theory 2015 rates

While every ceremony and / or reception is unique, we can give you a basic rate for what a ceremony would be.

The ceremony, which includes the following:

2 musicians with over 25 years duo experience

A pre-ceremony consultation in either Boardman or Liberty Ohio

Prelude music

Selections for the seating of the Mothers, Bridal Party and Bride

Any special music during the ceremony (sand ceremony, presentations of roses, etc.)

Postlude music while your guests are filing out.

Price for the above in the Youngstown area: \$275

A \$50 initial investment will lock in the date of your wedding, lessening the amount owed the day of the event.

Variables:

\$15 / song to purchase and rehearse music that we already do not know.

Travel fee for ceremonies outside of the Youngstown area: \$0.50 / mile

Additional musicians, or the rental of additional equipment, priced on a per event basis.

Reception – priced on a per event basis. Considerable discounts apply when booking both the ceremony and reception. Cocktail / dinner hour of the reception is one of our specialties.
