- DVD of Hi and Lo Resolution wedding day images

## **Two for the Show - \$3695**

*Two photographers document your wedding day*

Both photographers begin approximately 2 hours before the ceremony. The addition of the 2nd photographer allows a more fluid timeline as one photographer begins with coverage of the bride getting ready while the other begins with coverage of the groom getting ready. It also streamlines the taking of formal family and bridal party group photos following the ceremony and allows for more complete coverage of details and locations. The 2 photographers work in tandem to cover everything.
