# Digital Packages

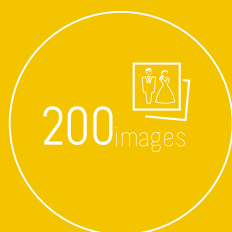

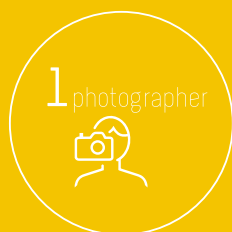

Digital packages are the ideal solution for couples who wish to save time and money and receive their wedding photographs shortly after their wedding. Your wedding photographs are prepared and presented on DVD in high resolution, with full reprint permission and delivered to you within a month of your wedding day. All photos are retouched with Adobe Light Room. (Therefore: corrections and adjustments of colour, exposure, tone, Black & White).  
Photo retouching in Photoshop is not included.
