

Congratulations!

It's time to plan your special day and we thank you for considering **Swank Desserts** to join you in the process!

We would love to make your special day even sweeter! We specialize in catering services for weddings and events including cakes, customizable dessert tables, and wedding favors. Our flavors aren't limited to what you see on our menu. If you have any desserts in mind that you do not see here, let us know and we will be more than happy to create a custom option to fit your needs.

Want Swank at your wedding or next event?

To book & reserve your date we'll need:

- A retainer fee = 50% of the order total
- A signed contract

*Please note that no orders are secure until a contract has been signed and we have received your retainer fee.

We highly recommend that you book with us at least 3-6 months prior to the date that you would like to indulge to ensure date availability and to allow plenty of time to provide the freshness and quality that we promise every client.

Every event is different. Our products are available for pick-up or delivery and set up at your event location.

Delivery & Set up

Our delivery and set up fee is based on mileage. There is a base rate of \$100 within a 15-mile radius of our kitchen. Each additional mile outside of that radius will be \$1/ mile.

Set up includes designing and arranging your items on cake stands or platters that you or your event designer have provided or that you have rented from our collection.
