FAQS

we get these questions a lot

WHAT IS YOUR DEPOSIT AND FINAL PAYMENT POLICY?

25% due at contract signing, the rest is due on your wedding day.

WHAT FORMS OF PAYMENT DO YOU ACCEPT?

We accept all major credit cards with a 2% fee. Billing can be invoiced and paid through the internet. Checks and money orders are also acceptable. Ask about PayPal options, too.

WHAT IF WE HAVE TO CANCEL OR CHANGE OUR DATE?

With the exception of extreme circumstances, if you cancel or change your date and we are unable to rebook your date, we keep your 25% deposit. If your day is eventually rebooked by another client, we will return your deposit.

WHAT IF ONE OR BOTH OF YOU ARE ILL OR HAVE A FAMILY EMERGENCY?

In the unlikelyhood we are both indisposed, our network of local photographers will be accessed to find a comparable replacement.

DO WE HAVE TO HAVE AN ENGAGEMENT SESSION?

No, you can opt-out and take \$400 off your package.

DO YOU HAVE TRAVEL FEES/DO DESTINATIONS?

Yes, there is a 100-mile roundtrip trip allowance for shoots (including engagement sessions). More than 100 miles roundtrip is a \$.55 charge per mile after the allowance. Possible airline travel and transportation costs apply to travel outside of Michigan; hotel costs apply to distances greater than 250 miles one way, and are the responsibility of the client.

CAN I HAVE ALL THE IMAGES AFTER THE WEDDING UNEDITED FOR A DISCOUNT?

Sorry, we don't do this type of service.

WHAT FORMAT ARE THE PHOTOS ON THE USB?

We give hi-res and web-res jpegs. We don't give RAW images, unedited images or images that are not deemed worthy for viewing. We will send you a weblink for download of the web-res images. If you're ordering large format prints, please let us know and we give you TIFFs.

MY VENUE WANTS MY VENDORS TO HAVE LIABILITY INSURANCE, ARE YOU INSURED?

Yes, we are fully covered and can provide a certificate upon request.

CAN WE PRINT PHOTOS FROM THE USB?

Yes, the images come with print release rights so you can take it to your own printer.

WILL PHOTOS HAVE ANY WATERMARKS?

No, we don't believe in watermarking.

WHAT DOES THE EDITING PROCESS INCLUDE?

All photos have color correction and minor editing. "Stand out" images are given special treatment and filters to make them look awesome. Advanced editing is available at request, but may be subject to an hourly fee.

IS THERE A LIMIT IN LOCATIONS/OUTFIT CHANGES FOR ENGAGEMENT PICTURES? HOW LONG IS THE SESSION?

No, on either. As long as the locations are relatively close together, no problem. The session is usually 1-2 hours.

HOW LONG DOES IT TAKE TO GET ENGAGEMENT AND WEDDING PICTURES BACK?

The contract states within 6 months after the shoot date. The time frame is usually much shorter, but we cannot guarantee a time frame when the season is especially busy (May - October). We know you are excited, so we do give sneak peeks. Please be patient with us, we personally select and edit our photos for quality control, and work as fast as we can!

IS THERE AN EXTRA CHARGE FOR THE SECOND PHOTOGRAPHER OR CAN I DELETE THAT FROM MY PACKAGE?

An extra shooter is not priced into the package because we always shoot together. We do not recommend hiring only one person for a big job like this.

WHAT KIND OF EQUIPMENT DO YOU USE?

We use professional grade Canon equipment with a variety of lenses. We also travel with a high-end lighting kit with battery backup. This ensures high-quality images. Tip: If your photographer doesn't have a lighting kit, I would be concerned.

HOW DO YOU KNOW WHAT IMAGES TO TAKE?

We require you to make an event guide so we know what family photos you want and your "must have" shots.

WHAT IF WE NEED YOU AN EXTRA HOUR AT THE END OF THE NIGHT, CAN YOU STAY?

Yes, we are available to stay extra hours day of, if needed.

I DON'T WANT MY PHOTOS ON THE INTERNET OR USED IN YOUR ADVERTISING, IS THAT OK?

Yes, that is totally fine and we can amend the contract at your request.
