## TESTIMONIALS:

Best decision of our entire wedding day was having Olga photograph our wedding! From our first conversation on the phone we loved how dedicated and excited she was. She is a perfectionist (I can appreciate because I am the same way) and her attention to detail is something you do not find anymore. We loved our sneak peek photos but the gallery took our breathe away. I cried, we cried, we couldn't be more excited to see the photos! We loved every single one! We loved our wedding and will never forget it but it's even better than we have these most amazing photos to look back on our most special day ever. Thank you Olga!

~Stephanie and Elliott

One of the absolute best choices my husband and I made during our wedding planning, was choosing Olga as our photographer. We could not be happier with how beautifully she captured our special day. Her attention to detail and knowledge of her craft was very evident the entire time we were together. She was truly a joy to work with and made us feel confident and at ease during the whole process. If we are ever back in Charleston and need a photographer, she will be first on our list.
